FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

Dear IC Alumni, Parents, and Friends,

On behalf of the Board of Trustees, I am pleased to share International College's 2025–2026 Annual Giving Report. This report reflects not only the generosity of our community but also our shared commitment to the continued success and future of IC.

The past year was another strong one for the College. Our students continued to distinguish themselves through outstanding academic achievements, excellent university acceptances, and significant scholarship opportunities. These accomplishments are a testament to the strength of IC's educational programs, the dedication of our faculty and staff, and the support of our families.

As Trustees, we recognize both the responsibility of preserving IC's proud legacy and the importance of positioning the College for the future. Education continues to evolve, and IC must evolve with it. Our responsibility is to ensure that the College remains academically strong, financially sound, and committed to providing an exceptional educational experience for generations to come.

The continued generosity of our alumni, parents, and friends plays an essential role in achieving these priorities. Your contributions allow us to build upon the College's accomplishments, pursue new opportunities, and make investments that will benefit current and future generations of IC students.

On behalf of the Board of Trustees, I extend my sincere appreciation to every member of our community who has supported IC. Your generosity, confidence, and commitment to the College are deeply valued.

Together, we will continue to honor IC's remarkable history while ensuring an equally promising future.

Sincerely,

Sincerely,
Donald J. Selinger
Chairman of the Board of Trustees

FROM THE PRESIDENT

The generosity of our donors continues to make a difference in the lives of our students and in the International College experience. Your support enables IC to provide opportunities and experiences that allow our students to learn, grow, and lead. Every contribution, large or small, is an investment in our students and in the future of IC.

As we reflect on the past year, we are proud of the many ways our students have turned potential into performance. Students have excelled academically, pursued their passions through co-curricular activities, demonstrated leadership, engaged in service learning, and challenged themselves to grow beyond what they thought possible. These accomplishments are made possible by the dedication of our teachers, staff, and families, and by the generosity of donors who believe in the transformative power of an IC education.

Our work continues to be guided by our EPIC Goals:

- **Excel Academically:** strengthening teaching and learning and providing students with the knowledge, skills, and opportunities to challenge themselves and prepare for the future.
- **Promote Wellbeing:** creating environments where students feel connected, supported, and encouraged to develop confidence, resilience, and balance.
- **Inspire Service Learning:** empowering students to understand their responsibilities to others and to use their talents to make a positive difference in their communities.
- **Champion Leadership:** developing initiative, integrity, responsibility, and the confidence to lead with purpose.

Last year, our theme, "**Unlock Your Potential**," encouraged our students to recognize what they are capable of achieving. This year, our theme, "**From Potential to Performance**," builds directly upon that message. Unlocking potential is only the beginning; our aim is to help students turn that potential into impact.

Your generosity helps make this journey possible. It supports the programs and learning environments that enable our students to move from what they can achieve to what they do achieve. Whether through academic opportunities, student wellbeing, athletics, the arts, service learning, technology, or campus improvements, your support strengthens the educational experience we provide.

IC continues to invest in the environments in which our students learn and grow. We are strengthening teaching and learning, expanding opportunities for academic challenge, and placing continued emphasis on the wellbeing of the whole child. At the same time, our campuses continue to evolve, with improvements to learning spaces and facilities designed to create environments that are welcoming, engaging, and reflective of the excellence we strive for throughout the College.

Ultimately, these investments are about our students. They are about giving them the opportunity to discover their strengths, develop their talents, challenge themselves, and put their potential into practice.

Our community extends far beyond our campuses in Lebanon. It includes our current families, faculty and staff, trustees, alumni, and friends around the world. While we may be separated by distance, we remain united by our shared commitment to education, our belief in the potential of young people, and the enduring spirit we proudly call the IC spirit.

Thank you for your generosity, your belief in our students, and your continued investment in the future of International College. Your support helps us move forward with confidence while remaining grounded in our mission, our values, and our commitment to providing a world-class education.

Together, we are helping our students move **From Potential to Performance** and preparing them to **Inspire, Grow, and Lead.**

Tobin Wait
President

VISION

The vision of International College is to empower learners of today to become global citizen leaders.

MISSION

The mission of International College is to inspire and challenge every learner to think critically, take initiative, and contribute to the advancement of society. IC nurtures the whole child in an environment that fosters wellbeing and promotes agency.

ANNUAL FUND

Every year, International College relies on the support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC does not cover full operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development, facility improvement and student extracurricular programs.

THE PATRON'S CLUB

Recognizes exceptional gifts of $10,000 or more.

ALI GHANDOUR CENTER
FOR LEADERSHIP, DIVERSITY & CIVIC ENGAGEMENT

Established in 2019, the Ali Ghandour Center (AGC) for Leadership and Civic Engagement (AGC) marks the first community-based learning center of its kind at the secondary school level in the region.

Jointly funded by IC and the Ghandour family -Raghida, Amal and Fadi Ghandour- the AGC offers an intensive leadership and dynamic citizenship program through a Community Engaged Learning (CEL) model. Spread over three years, starting with the 10th grade, the program mentors students through a sequenced journey, beginning with extensive volunteering with an array of grassroots organizations and culminating with students leading Community Service Projects (CSPs).

EXISTING ENDOWMENT FUNDS

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that “keeps on giving”.
