School Law Update – Act 47 of 2025 amended the School Code to prohibit a student who has accumulated six (6) or more unexcused absences from transferring, during the school year, to a Cyber Charter School, unless ordered by a judge. Should your student currently have six (6) or more unexcused absences, you will not be permitted to enroll in a Cyber Charter School. It's critical your child continues to attend our school as each day absent during the transition may be unlawful.
