Student Reassignment

Approved Receiving Schools

2026-2027 School Year

The School District of Palm Beach County's Student Reassignment process allows parents to apply for schools outside their regular attendance zone based on valid, policy-supportive reasons. This document reflects the approved receiving schools that currently have open capacity for second semester student reassignment, effective January 5, 2027. Schools not featured on this list are strictly closed for standard reassignment, and requests for unlisted schools will not be considered unless they meet provisional policy exceptions (such as for a district employee, last grade level consideration, or relocation into the zone). The online application window is open from November 30 through December 4, 2026, and all results will be released by December 18, 2026. Please submit your request at www.mypbchoiceapp.com.

Middle Schools
