KARNS CITY AREA SCHOOL DISTRICT

Child-Care and Alternative Monthly Schedule - Morning & Afternoon

The Karns City Area School District recognizes constraints placed on working families, and for that reason will consider written requests for an individual child care stop. The alternative request should be accompanied by a one month calendar and must be submitted and have prior approval from the Transportation Director. *Once the schedule is submitted and approved, it should only be changed when there is an emergency.*

In order for our dismissal process to run efficiently, we need parents to support the school by clearly communicating and consistently submitting your calendars.
