Request for Quotes to Purchase Surplus Technology Equipment

Noblesville Schools (NS, the District) desires to dispose of surplus technology equipment pursuant to Indiana Code 5-22-22-5.

I cordially invite you to respond to NS's attached request for bids to purchase surplus technology equipment from the District. Please feel free to contact Andrew Swickheimer (andrew_swickheimer@nobl.k12.in.us), Executive Director of Technology, with questions.

1.0 Purpose and Background

1.1 Purpose of this Request for Quotes (RFQ): Noblesville Schools recently retired a large quantity of MacBooks used by students/staff. The District is soliciting sealed bids to sell the surplus equipment through a fair and competitive process.

1.2 Request Timeline and Important Dates

The timeline for this RFQ is as follows:

Issue Date	11/5/2026
Bids Due	11/18/2026 by 3 p.m. EST

Proposal Response Deadline 11/18/2026 by 3:00 pm EST
Vendors shall submit bids according to the Instructions, Provisions and specifications stated in the solicitation documents. Questions should be addressed via email to the Noblesville Executive Director of Technology, Andrew Swickheimer (andrew_swickheimer@nobl.k12.in.us)

Surplus items from the Noblesville School District are available on the web site www.noblesvilleschools.org (Please refer to the link on the district technology page.) This website is the official source for all documents related to this solicitation. Noblesville Schools is not responsible for documents distributed through any other means.

2.0 Equipment Description

Noblesville Schools seeks to sell surplus student/staff computing devices and other tech devices, previously used in classrooms. This section describes the equipment for sale - all devices are in working condition unless noted below.

NS will not make any efforts to repair damaged devices and can be sold 'as is.' However NS will require a certificate for each damaged device verifying all personal information (iTunes, iCloud accounts, email accounts, etc.) is removed once the device is purchased and repaired.

NS Technology Department staff has removed mobile management DEP, iCloud and/or passcode locks on working MacBooks and restored all devices to original factory settings. No charging cords or power supplies will be available.

3.0 Evaluation Criteria and Vendor Selection

3.1 Evaluation Criteria and Process

NS will select the highest responsible bidder.

4.0 Quote Content

4.1 General Directions

This Bid Information document contains all the information and forms necessary to complete and submit a formal bid. At the time bids are opened, all bids and accompanying documentation submitted will become the property of Noblesville Schools.

4.2 Required Response Content

Vendors must submit one electronic copy of the quote by the due date indicated in Section 1.2 of this RFQ. To assist in the evaluation process, NS requests all quotes include the information listed below. Quotes lacking one or more of the following items may be considered non responsive and may be rejected.

- **Price** - If vendor desires to purchase items in any category they must submit one master bid to cover all items

(i.e. winning bid takes all). A graduated price schedule based on each device condition (Grade A, B, etc.) will not be accepted and we will not split up the lot of items in this RFQ. NS will accommodate requests to inspect the devices in advance of the proposal deadline, however, the proposed price must be determined when the bid is submitted. NS will require a 10% down payment at the time the winning bid is awarded. The remaining balance will be collected at the time the devices are picked up. Devices will be available for pick up any weekday, from 9 am - 3 pm, on or after 11/20/2026.

● **Primary Contact Information** - Quote should include key vendor staff contact name, email address, and phone number.

● **Pickup and Loading Logistics** - Vendors' quotes must include a clear plan detailing how their personnel will manage the on-site packing, loading, and removal of the equipment. As this is a local pickup only transaction, the winning vendor is solely responsible for providing the necessary labor and materials to transport the devices from the district's loading dock.

4.3 Submission of Quotes
