Home of the SEAHAWKS!

Academic Opportunities

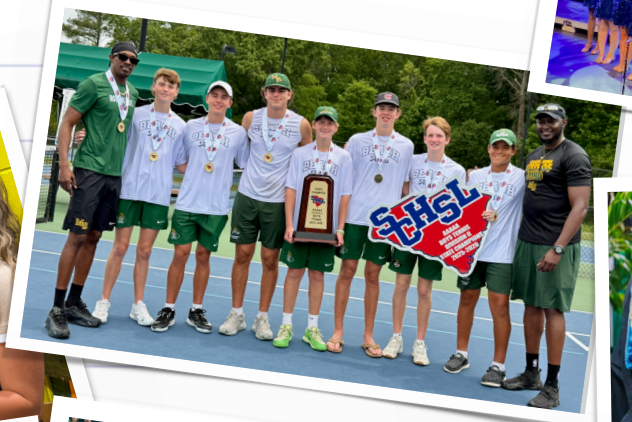

Myrtle Beach High School offers a range of rigorous programs and unique opportunities to our diverse student body. Our Advanced Placement program boasts sixteen courses and the opportunities of both the AP International Diploma and AP Capstone Diploma. Our Advanced Placement Program is known for its rigor, exceptional instruction, and high pass rates, competing at the local, state, and national levels. We welcome input from our students and put the student body at the center of every decision. Feedback from our Seahawks has led to the addition of exciting programs on campus in our Career and Technology Education (CTE) department, including Hospitality & Tourism and Food & Nutrition. We also offer Project Lead the Way Engineering, dual-enrollment opportunities through Horry-Georgetown Technical College, Teacher Cadets in partnership with Coastal Carolina University, work-based learning with health science internships, and courses in personal finance, health science, and sports medicine. We are also In Candidacy for becoming an International Baccalaureate Diploma Programme school. Seahawks can also participate in our nationally ranked NJROTC, theater, orchestra, choir, art, and more!

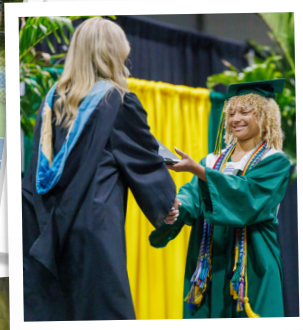

Opportunities abound at MBHS for students to be deemed College and/or Career Ready while immersing themselves in rigorous academia or kinesthetic learning experiences.

ENTRANCE REQUIREMENTS:

Students from the Myrtle Beach High School attendance area who have successfully completed middle school are eligible to attend MBHS.

ATHLETIC ACTIVITIES

Known for our excellence in athletics, Myrtle Beach High School offers forty-five athletic teams at the B-team through Varsity levels. Our Boys Tennis team won the State Championship for the 4th time in five years.

FINE ARTS PROGRAMS

Our visual and performing arts programs remain integral components of life at The Beach. Our theatre program received an Excellent ranking at All-County Theatre in Fall 2023, as well as Best Ensemble and Best Costumes & Makeup for their performance of Queens by Kristen Doherty. In 2025, they won the state championship for their production of The Ninth Train.

In Spring 2024, the Seahawk Show Choir received a Superior rating, first place overall, and a solo award at the Music in the Parks competition in Williamsburg, VA. Also in Spring 2024, twelve Seahawks represented Horry County in All-County chorus in 2024, and Mia Abbott represented MBHS in All-State chorus.

The Bands of the Beach at MBHS had an amazing 2023-2024 school year with competitions, student achievements, and public performances. The band won numerous awards in marching, music, color guard, drum major, and overall band placement. During that period, the band consistently received ratings of "Excellent" and "Superior" in both individual performance areas and overall band performance. Six Seahawks were chosen to participate in the All-County band, with three students earning a first-chair position. Additionally, three students auditioned for and were selected to the All-Region band.

The Seahawk Strings had seven students earn All-County Orchestra and one earn All-Region Orchestra. We earned 2nd place at the Music in the Parks Festival in Williamsburg, VA, in May, and all our musicians participated in a plethora of community events.

CLUBS AND ORGANIZATIONS

Recognizing the paramount value of extracurricular involvement to a student's sense of belonging and holistic development, Myrtle Beach High School offers our students over thirty clubs and organizations. Students participate in Club Rush annually at The Beach, which provides them with the opportunity to join clubs and make recommendations for new ones. Within the last four years, through feedback from our stakeholders, we added our Hawkettes Dance Team, Chess Club, Mock Trial, and the award-winning Surf Club. DECA competes (and achieves) at the national level, and within just three years, it has grown its membership to 150 students! A few of the additional clubs offered to students include Academic Team, HOSA - Future Health Professionals, National Honor Society, BETA Club, Ocean Awareness, and many more. Visit our school website for the entire list of opportunities and their descriptions.

Myrtle Beach High

Mission Statement

Myrtle Beach High School's vision is to be a premier, world-class high school in which every student acquires an excellent education. MBHS will be a welcoming school founded on high-quality teaching and learning.
