Home of the Trojans!

Academic Opportunities

Green Sea Floyds High School serves students in grades 6-12, providing a reduced teacher-to-student ratio and fostering positive relationships with students. GSFHS has increased its Advanced Placement offerings to include English Language, English Literature, Calculus, Statistics, Human Geography, European History, and US History.

There are five Career and Technology Education (CTE) programs at GSFHS where students may obtain CTE completer status: Game & Interactive Media Design, Family & Consumer Sciences, Horticulture, Biomedical, and JROTC. We also offer courses in Science, Technology, Engineering, and Mathematics (STEM), as well as dual-enrollment, college-prep, honors, and world language courses.

Entrance Requirements

Green Sea Floyds High School does not have an application process. Students not living in the Green Sea Floyds High School attendance area may apply to attend GSFHS by requesting a waiver through the HCS Office of Student Affairs.

ADDITIONAL INFORMATION

Green Sea Floyds High School offers a rich environment for those seeking excellence in academics, athletics, and fine arts. Our vision is to partner with parents and the community to develop young men and women who demonstrate excellence in their education and character and who seek ways to serve our school and community. GSFHS is a participant in the High Schools that Work Program. Our GSFHS community emphasizes the importance of providing a first-class educational experience by promoting Greatness, Service, and Family.

Each year, GSFHS initiates numerous activities to involve our community members. In the fall, our JROTC has a Veteran's Day breakfast and recognition. Other activities include Muffins for Moms, M.I.S.T.E.R. (Motivating Male Students/Community Members/Promoting Community Service) breakfast, and Trojans Take the Town.
