## Home of the Blue Jackets!

## Academic Opportunities

Aynor High School hosts one of Horry County Schools' two International Baccalaureate (IB) programs. The general objective of the IB program is to provide students with a balanced education, facilitate geographic and cultural mobility, and promote international understanding through academic experiences. The IB diploma is designed for students in their last two years of high school. Students may earn a SC high school diploma while working to meet the requirements for the IB diploma. The IB Diploma Program is a challenging and rigorous curriculum leading to qualification that is widely recognized by leading universities in the United States and around the world. All highly motivated and high-performing students who complete the advanced recommended courses are given the opportunity to participate in the IB Diploma Program.

International Baccalaureate®

In addition to IB course offerings, Aynor High School offers the following Advanced Placement (AP) courses: AP US History, AP Human Geography, AP Environmental Science, and AP 2D/3D Art and Design. Aynor High School also offers seven distinct Career and Technology Education (CTE) majors: Agricultural Mechanics & Technology, Environmental & Natural Resources, General Management, Marketing Communications, Family & Consumer Sciences, Game & Interactive Media, and Army Junior ROTC. We also offer Project Lead the Way (PLTW) courses in Computer Science and Biomedical Science.
