What is a School-Parent Compact?

The School-Parent Compact is an agreement in which parents/guardians, students, and teachers will share responsibility for helping all students meet grade-level standards and improve academic achievement.

Jointly Developed

This compact is uniquely developed to meet the needs and goals of our school and students. Parents, students, teachers, and faculty work together to develop our school-parent compact. During the Fall and Spring input meetings, surveys, conferences, and advisory-team discussions are used to get feedback and create the plan which is reviewed and revised annually. Parents can provide feedback on the compact at any time during the school year.
