San Luis Coastal Unified School District
Citizens Bond Oversight Committee

Measure C-22 General Obligation Bonds

Applicant Packet

The San Luis Coastal Unified School District is accepting applications to fill two vacancies on its established Citizens Bond Oversight Committee (CBOC), which oversees expenditures associated with Measure C-22 General Obligation Bonds approved by District voters on November 8, 2022. The Committee helps ensure that bond revenues are used only as voters intended and informs the public about bond expenditures. The Board of Trustees invites interested community members to apply for one of the two open positions described below.

What positions are available?
The District is seeking applicants to fill the following two vacancies:

- One community member to serve as an at-large representative.
- One parent or guardian of a child enrolled in the San Luis Coastal Unified School District to serve as the parent representative.

Committee members may not be employees or officials of the District or vendors, contractors, or consultants to the District. Members must be at least 18 years old. Applicants must reside in the geographic area they identify in their application.

What will the Committee do?

The committee will be responsible for making reports to the Board and the community about bond expenditures.

How often will the Committee meet?

The Committee is required to meet at least one time per year, and it is estimated that the Committee will meet approximately four times per year. Specific meeting dates will be determined by the Committee. Committee members will be appointed by the Board to serve an initial two-year term. A maximum of three consecutive, two-year, terms is allowed under the law.

How will the Committee be selected?

The Board will select member of the Committee taking into account the applicant's professional and/or practical experience, the applicant's recognition in or contribution to his/her community, the diversity of experience on the Committee as a whole, and representation on the Committee from various communities within the district. The Board is expected to appoint the new members of the Committee by December 9, 2026.

What else should the applicant know?

Under the provisions of California Education Code Section 35233, a member of the Committee may not have any financial interests in any contracts made with the District during the member's two-year term. Committee members may also be subject to the Political Reform Act of 1974 and its Conflict of Interest Provision. In order to ensure no conflicts of interests exist and ensure transparency of the Committee, members will be required to acknowledge an Ethics Policy and have on file with the District Form 700 (Statement of Economic Interests of the Fair Political Practices Commission).

All committee proceedings will be open to the public and will be subject to the Brown Act. All documents and reports received or published by the Committee will be a matter of public record, and will be made available on the District's web site.

The Board will provide the Committee with administrative support and sufficient resources to publicize the committee reports.

Where is more information available?

Please call the San Luis Coastal Unified School District at 805.549.1206 for additional information. You can also find information about Measure C on our website: https://www.slcusd.org/about/measure-c
