Throughout the two days, students will participate in a variety of interviews and activities as they compete to receive a full-ride scholarship to the University of Toccoa Falls. The following Monday, November 9th, one student will be awarded the four-year full-ride scholarship. Our hope is that all attendees will leave with a better understanding of what life at the University of Toccoa Falls could look like for them. Click here for the registration link.

Student Checkout Procedures and Early Dismissal Policy
To ensure the safety and security of all students, please carefully review and follow the checkout procedures outlined below.

- Non-Driver Students: A parent/guardian must come to the school in person to check out their student. Upon arrival, please ring the front doorbell and present a valid photo ID. Once your identity has been verified, the front office will call your student to meet you. Students in this category are not permitted to leave the building on their own, even with written parental permission via email.
- Student Drivers: If your student is a licensed driver, has a parking decal for the 2026–2027 school year, parks on campus, and needs to leave school before the end of the school day, a parent or guardian must email the school granting permission for early dismissal. Students must follow the required checkout procedures before leaving campus. Students must check out through the front office before leaving campus. Failure to follow the checkout procedure will be considered skipping school and may result in disciplinary consequences.

Important Reminder: Under no circumstances are students permitted to leave the building without first completing the checkout process through the front office. These procedures are in place to protect student safety and ensure accurate attendance records. We appreciate your cooperation and understanding in helping us maintain a safe school environment.
