

November 2026 - Tiger Talk

The Monthly Newsletter for our Tiger Families

A Note From Mrs. Gold

Hello Tiger Families,
Conference Week is coming! Please see my note below about school holidays in November and take note that the week of **11/16-20 is Trimester 1 Conference Week**. This is a very important time for you to connect with your child(ren)'s teacher(s). As we continue our commitment to The Leader In Me, we are diving deeper into **Student Led Conferences**. Students of all ages can and should be involved in setting their learning goals, tracking their progress, and sharing it with you!
So, please check with your child's teacher and plan to participate in this event. Your child's involvement level in the conference will depend on their age and maturity, but **ALL** students should be present at the conference and be able to share their learning journey with you.
Please respond to your child's teacher's invitation to connect. Conferences can also be held by telephone or Google Meet if that works best for you though that may make it more challenging for your child to lead the conference. The most important thing is that we get together to share and celebrate your child.
We are in this together, and we are looking forward to hearing your child explain their own progress.

With gratitude,
Mrs. Gold
