Lockhart K–3 Students to Begin School on Monday, August 17, 2026

The Virgin Islands Department of Education (VIDE) is pleased to inform parents and guardians that Lockhart School students in grades K–3 will officially begin the 2026–2027 School Year on Monday, August 17, 2026.

Lockhart K–3 students experienced a delayed start to the school year while necessary contractor work took place by the Bureau of School Construction and Maintenance (BSCM) before classrooms could welcome students. All K–3 students should report to Lockhart School on Monday, August 17, and follow their regular school schedule.

The faculty, staff, and administration of Lockhart School are excited and ready to welcome K–3 students to campus. The school community looks forward to providing students with a positive, engaging, and supportive start to a wonderful and productive school year.

VIDE sincerely thanks Lockhart K–3 parents and guardians for their patience, understanding, and cooperation during the delayed opening. Parents and guardians are encouraged to continue relying on the official communication platforms of the Virgin Islands Department of Education for accurate and timely information regarding school operations.
