Proposed board report content

February 16 — Committee formation, initial enrollment and county demographic review, and stakeholder engagement plan.

April 20 — Community engagement participation, emerging themes, and developing programming priorities.

June 15 — Final recommendations, community-informed priorities, and implementation considerations.

Member time commitment

12 committee meetings × 90 minutes = 18 scheduled meeting hours, plus preparation, review of materials, and potential stakeholder engagement activities. Board presentations are additional commitments for designated presenters, not necessarily all committee members.

Proposed dates are subject to confirmation against the adopted district calendar and Board meeting calendar.
