Re: Request for Donation of Campbell County High School Bleachers

Dear Mr. Mathes:

The Campbell County Public Land Board, doing business as CAM-PLEX Multi-Event Facilities, respectfully requests that the Campbell County School District consider donating the existing freestanding bleachers at Campbell County High School to CAM-PLEX.

CAM-PLEX currently uses the same model of bleachers, allowing these units to integrate directly with our existing seating system. This compatibility would make them a valuable addition as we prepare to host the National High School Finals Rodeo for three consecutive years and support other events that serve our community.

Our staff has experience assembling and disassembling these bleachers. We would welcome the opportunity to coordinate with your staff on a removal and transportation plan that accommodates the district's schedule and site requirements.

This donation would keep a useful public asset in service locally while expanding CAM-PLEX's capacity to accommodate students, families, participants, and spectators.

Thank you for facilitating this request with the district and its appropriate decision-makers. We appreciate your consideration and the opportunity to discuss the proposed transfer.

Sincerely,

Aaron Lyles
