BOARD OF EDUCATION

SANTA ANA UNIFIED SCHOOL DISTRICT

ORANGE COUNTY, CALIFORNIA

Self-Certifying Increased Federal Micro-Purchase Thresholds

WHEREAS, the Santa Ana Unified School District is a California public school district and a non-Federal entity; and

WHEREAS, Title 2 of the Code of Federal Regulations ("CFR"), Section 200.320, specifies certain procurement methods that a non-Federal entity must follow when acquiring property or services using federal funds, which includes informal "micro-purchase" procurement that does not require solicitation of competitive price or rate quotations; and

WHEREAS, 2 CFR Section 200.320(a)(1)(i) authorizes the acquisition of supplies or services through informal procurement methods, including micro-purchases, so long as "the aggregate amount of the procurement transaction does not exceed the micro-purchase threshold," and provides that, "[t]o the extent practicable, the recipient or subrecipient should distribute micro-purchases equitably among qualified suppliers"; and

WHEREAS, 2 CFR Section 200.320(a)(1)(ii) provides that, among other things, a non-Federal entity may award micro-purchases "without soliciting competitive price or rate quotations if the recipient or subrecipient considers the price reasonable based on research, experience, purchase history, or other information; and maintains documents to support its conclusion"; and

WHEREAS, 2 CFR Section 200.320(a)(1)(iii) provides that, among other things, a "recipient or subrecipient is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures," and the "micro-purchase threshold used by the recipient or subrecipient must be authorized or not prohibited under State, local, or tribal laws or regulations"; and

WHEREAS, 2 CFR Section 200.320(a)(1)(iv) provides, among other things, that a non-Federal entity, on an annual basis, may self-certify a micro-purchase threshold

up to $50,000, if the self-certification includes a justification, clear identification of the threshold, and supporting documentation of any of the following:

(i) "A qualification as a low-risk auditee, in accordance with the criteria in § 200.520 for the most recent audit";

(ii) "An annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or,"

(iii) "For public institutions, a higher threshold is consistent with State law."

WHEREAS, as applicable to the District, 48 CFR Section 2.101 currently provides that the federal micro-purchase threshold is: (i) $15,000 generally; and (ii) $2,000 for services subject to 40 United States Code, Chapter 31, Subchapter IV (i.e., construction services subject to Davis-Bacon Act which, among other things, relates to rates of wages for laborers and mechanics); and

WHEREAS, in accordance with Section 20111 of the California Public Contract Code ("PCC"), a public school district currently is required to seek competitive bids for: (i) acquisition of equipment, materials, supplies, services that are not construction services, and repairs (including maintenance) that are not a public project, involving an expenditure of more than $119,100; and (ii) contracts for public projects involving an expenditure of $15,000 or more; and

WHEREAS, a copy of PCC Section 20111 in effect as of the date of this Resolution is attached as Exhibit "A" to this Resolution, and a copy of the California Department of Education notice of increased bid thresholds applicable as of the date of this Resolution is attached as Exhibit "B" to this Resolution; and

WHEREAS, in accordance with PCC Section 22030, the District, effective the 12th of February 2019, has elected to become subject to the California Uniform Construction Cost Accounting Procedures ("CUPCCAA") and is therefore subject to bidding requirements for public projects that are an alternative to the bidding requirements for public projects set forth in PCC Section 20111; and

WHEREAS, in accordance with PCC Section 22032, a California public school district, without need to seek competitive bids, may procure public projects costing $75,000 or less through negotiated contract or purchase order; and

WHEREAS, copies of PCC Section 22030 and 22032 in effect as of the date of this Resolution are attached as Exhibit "C" to this Resolution; and

WHEREAS, to evidence that the District has elected to become subject to CUPCCAA, published on the California State Controller's Office website (at the following link: https://www.sco.ca.gov/ard_cuccac.html)of the public agencies that, as of the date of this Resolution, have elected to become subject to CUPCCAA (for efficiency, the full list of 48 pages was not attached to this Resolution); and

WHEREAS, in accordance with the foregoing, the District is authorized by California law to award contracts and purchase orders, without need to seek competitive bids or undertake any other competitive process: (i) for equipment, materials, supplies, and services that are not public projects costing less than $119,100; and (ii) for public projects costing $75,000 or less; and

WHEREAS, in accordance with the third basis for establishing a higher micro-purchase threshold set forth in 2 CFR Section 200.320(a)(1)(iv), the District permissibly may self-certify a higher micro-purchase threshold because California law authorizes bid thresholds that are higher than the $50,000 maximum threshold authorized by 2 CFR Section 200.320(a)(1)(iv); and

NOW, THEREFORE, the Board of Education does hereby find, order, and resolve as follows:

Section 1. The Board of Education hereby finds that the foregoing recitals are true and correct and hereby adopts such recitals as findings of the Board of Education.

Section 2. The Board of Education hereby self-certifies a $50,000 bid threshold for both federally funded micro-purchases that are not public projects and for federally funded micro-purchases that are public projects, provided that such purchases comply with all otherwise applicable provisions of law.

Section 6. Payment of Bonds.

(a) Request for Tax Levy. The money for the payment of principal, redemption premium, if any, and interest on the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the Interest and Sinking Fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors of the County to annually levy a tax upon all taxable property in the District sufficient to redeem the Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due.

The ad valorem tax revenues levied to pay the Bonds shall, when collected, be deposited into the Interest and Sinking Fund of the District. The foregoing Interest and Sinking Fund and ad valorem tax revenues are irrevocably pledged, and the District hereby grants a lien and security interest therein, for the payment of the principal, redemption premium, if any, and interest on the Bonds when and as the same fall due. The moneys in the Interest and Sinking Fund, to the extent necessary to pay the principal, redemption premium, if any, and interest on the Bonds as the same become due and payable, shall be transferred by the County or the District, as the case may be, to the Paying Agent, as paying agent for the Bonds, as necessary to pay the principal, redemption premium, if any, and interest on the Bonds. The property taxes and amounts held in the Interest and Sinking Fund of the District shall immediately be subject to this pledge, and the pledge shall constitute a lien and security interest which shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. The pledge is an agreement between the District and the Owners of the Bonds in addition to any statutory lien that may exist, and the Bonds are being issued to finance one or more projects and not to finance the general purposes of the District.

Additionally, in accordance with Section 15251(b) of the California Education Code and Section 53515(a) of the California Government Code, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the Bonds. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time the Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

(b) Payment of Principal. The principal of the Bonds shall be payable in lawful money of the United States of America to the Owners thereof, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(c) Payment of Interest; Record Date. The interest on the Bonds shall be payable on each Interest Payment Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Payment Date, such interest to be paid by check or draft mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at

such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least $1,000,000 of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date.

(d) Interest and Sinking Fund. Principal and interest due on the Bonds shall be paid from the Interest and Sinking Fund of the District as provided in Section 15250 of the Education Code.

(e) Obligation of the District. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The obligation for repayment of the Bonds is the sole obligation of the District.

Section 7. Redemption Provisions.

(a) Optional Redemption. The Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Certificate of Award. The Certificate of Award may provide that the Bonds shall not be subject to optional redemption, and may provide separate and distinct redemption provisions for the Bonds.

(b) Selection. If less than all of the Bonds are subject to such redemption and are called for redemption, such Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District (or as otherwise set forth in the Certificate of Award), and if less than all of the Bonds of any given maturity are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot (or as otherwise set forth in the Certificate of Award).

(c) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Certificate of Award as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Certificate of Award), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Certificate of Award. Unless otherwise provided in the Certificate of Award, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity redeemed in accordance with subsection (a) or (b) of this Section prior to the mandatory sinking fund payment date. The Certificate of Award may provide that the Bonds shall not be subject to mandatory sinking fund redemption. The Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

(d) Notice of Redemption. Notice of any redemption of the Bonds shall be mailed by the Paying Agent, postage prepaid, not less than twenty (20) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Agreement. Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Bonds and the date of issue of the Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of Bonds to be redeemed; (vi) in the case of Bonds redeemed in part only, the respective portions of the principal amount of the Bonds of each maturity to be redeemed; (vii) the CUSIP number, if any, of each Bond to be redeemed; (viii) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying

Agent, or at such other place or places designated by the Paying Agent; (ix) notice that further interest on such Bonds will not accrue after the designated redemption date; and (x) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) Effect of Notice. A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Bonds or the cessation of interest on the date fixed for redemption. When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the Interest and Sinking Fund or the trust fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Interest and Sinking Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Bonds called for redemption.

Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) Funds for Redemption. Prior to or on the redemption date of any Bonds there shall be available in the Interest and Sinking Fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the Interest and Sinking Fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Interest and Sinking Fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Interest and Sinking Fund of the District or otherwise held in trust for the payment of redemption price of the Bonds, the monies shall be held in or returned or transferred to the Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Bonds all or any part of the principal, interest and premium, if any, on the Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 6 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Bonds, but only out of monies on deposit in the Interest and Sinking Fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the Interest and Sinking Fund of the District, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal or accreted value of, redemption premium, if any, or interest on the Bonds and remaining unclaimed for two years after the principal or accreted value of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent.

(a) Appointment, Payment of Fees and Expenses. This Board does hereby consent to and confirm the appointment of The Bank of New York Mellon Trust Company, N.A., to act as the initial paying agent for the Bonds. All fees and expenses of the paying agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the District after consultation with the County as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the District, in consultation with the Treasurer-Tax Collector, shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least $50,000,000 in net assets.

(c) Principal Corporate Trust Office. The initial Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Bonds, and any reference herein to the "principal corporate trust office" of the Paying Agent shall mean the office so designated for a particular purpose. If no office is so designated for a particular purpose, such functions shall be conducted at the office of The Bank of New York Mellon Trust Company, N.A., in Dallas, Texas, or the principal corporate trust office of any successor Paying Agent.

(d) Registration Books. The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.

(a) Unless otherwise specified in the Certificate of Award, DTC is hereby appointed depository for the Bonds and the Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of the Bonds; provided, however, that if different CUSIP numbers are assigned to Bonds maturing in a single year or, if Bonds maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent, together with a

written request of the District to the Paying Agent, a new Bond for each maturity shall be executed and delivered in the aggregate principal amount of such Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof provided, however, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days after the receipt of any such written request of the District.

(c) In the case of partial redemption or an advance refunding of the Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Bonds indicating the date and amounts of such reduction in principal.

(d) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(e) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange.

(a) Transfer. Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, new Bonds, of the same maturity, Interest Payment Date and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Bonds for redemption, and (ii) after any Bond has been selected for redemption.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same maturity and Interest Payment Date, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, new Bonds of the same maturity and interest payment mode and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Bonds for redemption, and (ii) after any Bond has been selected for redemption.

Section 11. Sale of Bonds. The Bonds shall be sold upon the taking of public bids and shall be offered by means of an Official Notice of Sale, substantially in the form attached as **Exhibit C**. Such bonds shall be sold to the responsible bidder who makes the best responsive bid therefor, after publication of a Notice of Intention to Sell Bonds once at least five (5) days before the date of sale in a financial publication generally circulated throughout the State of California or which the Municipal Advisor advises is expected to be disseminated among prospective bidders for the Bonds. The Official Notice of Sale with respect to the competitively sold Bonds shall require that (i) the purchase price of such Bonds shall be no less than the principal amount thereof plus accrued interest to the date of delivery; (ii) such Bonds shall otherwise conform to the limitations specified in this Resolution, including specifically those terms prescribed by this section. The forms of the Official Notice of Sale on file with the Secretary of the Board are hereby approved, and the Authorized Officers are each hereby authorized to publicize one or more instruments in substantially said form and award the sale pursuant thereto and pursuant to one or more certificates of award (the "Certificate of Award"), subject to such changes or revisions to the Official Notice of Sale as may be acceptable to the Authorized Officer, and the District's approval of all such changes shall be conclusively evidenced by the execution and delivery of the Certificate of Award. The District reserves the right to reject all bids and to re-bid the Bonds or, if necessary, to sell the Bonds by negotiated sale as permitted by law, upon consultation with the Municipal Advisor, and upon terms and conditions otherwise in conformity with the limitations contained in this Resolution.

The Certificate of Award or such other document awarding the sale of Bonds, shall recite the terms of the Bonds sold under such document in accordance with Section 5 hereof as determined in the sale thereof. The Certificate of Award shall recite the aggregate principal amount of the Bonds and shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof if any.

In accordance with Section 15146(h) of the Education Code, to the extent not contracted to be paid by the Purchaser, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by The Bank of New York Mellon Trust Company, N.A., as cost of issuance administrator, proceeds of sale of the Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Bonds sold, as shall be set forth in the

Certificate of Award, for the purposes of paying the costs associated with the issuance of the Bonds not contracted to be paid by the Purchaser, if any.

In accordance with subsection (h) and (i) of Section 15146 of the Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in the Interest and Sinking Fund of the District proceeds of sale of the Bonds (in addition to any premium or accrued interest received) to fund (i) an annual reserve permitted by Section 15250 of the Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Bonds for a period of two years from the date of issuance of the Bonds, as shall be set forth in the Certificate of Award, if any such a deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

For purposes of Education Code section 15146(b) and Government Code section 5852.1, good faith estimates of (a) the true interest cost of the Bonds; (b) the costs associated with the issuance of the Bonds; (c) the amount of proceeds to be received by the District (less the Costs of Issuance or reserves or capitalized interest, if any); and (d) the total payments of principal of and interest on the Bonds through the final maturity of the Bonds, are set forth on **Exhibit B** attached hereto and incorporated herein.

Section 12. Continuing Disclosure Agreement. The Continuing Disclosure Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a Continuing Disclosure Agreement in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the applicable Continuing Disclosure Agreement by such Authorized Officer.

Section 13. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of the Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2 12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 14. Official Statement. The preparation and delivery of an Official Statement with respect to the Bonds, and its use by the Purchaser in connection with the offering and sale of the Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Bonds and any amendment or supplement thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Purchaser.

Section 15. Application and Investment of Proceeds.

(a) Proceeds Deposit. The proceeds from the sale of the Bonds, other than amounts deposited to the Interest and Sinking Fund and a costs of issuance account as described in Section 11 hereof, shall be deposited in the County Treasury to the credit of the Building Fund of the District. Any premium or accrued interest received by the District shall be deposited in the Interest and Sinking Fund of the District in the County Treasury. Earnings on the investment of moneys in either fund will be retained in that fund and used only for the purposes to which that fund may lawfully be applied. Moneys in the Building Fund may only be applied for the purposes for which the Bonds were approved. Moneys in the Interest and Sinking Fund may only be applied to make payments of interest, principal, and premium, if any, on bonds of the District.

(b) Investment of Proceeds. Amounts deposited into the Building Fund and the Interest and Sinking Fund, as well as proceeds of taxes held therein for payment of the Bonds, will be invested at the Treasurer-Tax Collector's discretion pursuant to law and the investment policy of the County.

Section 16. Tax Covenants.

(a) Adverse Effect. The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate with respect to the Bonds to be executed by the District on the date of issuance of such Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Bonds.

(b) Yield Restriction. In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer-Tax Collector on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer-Tax Collector in writing, and the District shall make its best efforts to ensure that the Treasurer-Tax Collector shall take such action as may be necessary in accordance with such instructions.

(c) Legal Opinion. Notwithstanding any provision of this Section, if the District shall provide to the Treasurer-Tax Collector an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Bonds under Section 103 of the Code, the Treasurer-Tax Collector may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate with respect to the Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 17. Professional Services. Dannis Woliver Kelley shall serve as bond counsel and as disclosure counsel to the District for the Bonds. Keygent LLC shall serve as Municipal Advisor for the Bonds.

Section 18. Delegation of Authority. The Authorized Officers are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution; provided, that all such actions shall be consistent with and subject to the terms and limitations set forth in this Resolution. The Board hereby consents to the use of electronic signatures, in accordance with

the Uniform Electronic Transactions Act (Cal. Civ. Code, § 1633.1 et seq.), by any Authorized Officer (or designee) in order to accomplish the foregoing.

Section 19. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 20. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to the Auditor-Controller of the County the final terms of sale of the Bonds, and to file with the Auditor-Controller and with the Treasurer-Tax Collector a copy of the executed Certificate of Award and this Resolution, and the schedule of amortization of the principal of and payment on the Bonds, and to file with the Treasurer-Tax Collector a proposed schedule of draws on the building fund of the District, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the Education Code and as the District's request to the Auditor-Controller of the County and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Bonds, pursuant to law; and to the other officers of the County to levy and collect said taxes for the payment of the Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Bonds the principal, interest, and premium, if any, due on the Bonds in each year, and to create in the County Treasury to the credit of the District a building fund and an Interest and Sinking Fund pursuant to Section 15146 of the Education Code.

Section 21. Reimbursement of County Costs. The District shall reimburse the County for all reasonable and documented costs and expenses incurred by the County, its officials, officers, agents and employees in connection with the issuance of the Bonds, upon presentation of an itemized statement thereof.

Section 22. Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby. The Bonds are not a debt of the County or a pledge of the County's full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from the ad valorem taxes lawfully levied to pay the Principal of or interest on the Bonds.

Section 23. Indemnification of County. The District shall indemnify and hold harmless the County, its officers, agents and employees against any and all losses, claims, actions, suits, judgments, demands, damages, liabilities and expenses (including reasonable attorney fees and costs of investigation) of any nature arising out of any action or inaction of the District with respect to the issuance of the Bonds, except to the extent caused by the negligence or willful misconduct of the County, its officers, agents or employees. The County shall provide the District with prompt written notice of any claim for which indemnification is sought hereunder and shall permit the District to control the defense of any such claim.

Section 24. Effective Date. This Resolution shall take effect from and after its date of adoption.

PURPOSE: A duly called municipal election was held in the District on November 5, 2024, and thereafter canvassed pursuant to law. At such election there was submitted to and approved by the requisite fifty-five percent (55%) vote of the qualified electors of the District a question as to the issuance and sale of general obligation bonds of the District to finance the acquisition, construction, furnishing and equipping of District facilities and to pay certain costs of issuance associated therewith (the "Project") in the maximum aggregate principal amount of $355,000,000 (the "Authorization") payable from the levy of an *ad valorem* tax against the taxable property in the District. The Bonds represent the first issue under the Authorization and are being issued for the purpose of raising moneys for the Project and other authorized costs.

SECURITY: The Bonds are general obligations of the District. The Orange County Board of Supervisors has the power and is obligated to levy *ad valorem* taxes for the payment of the Bonds and the interest thereon without limitation as to rate or amount upon all property within the District subject to taxation (except for certain classes of personal property).

RATING: Moody's Investor Services has assigned the rating of "___" to the Bonds.

MUNICIPAL BOND INSURANCE; BIDDER'S OPTION: [The District has applied to certain bond insurance companies for a commitment to issue a policy insuring the payment when due of principal of and interest on the Bonds.] In the event the District obtains a commitment for municipal bond insurance, each bidder has the option to elect whether such insurance will be issued. If the winning bidder elects to obtain any policy of municipal bond insurance, the premium for such insurance and the costs of any related ratings will be paid by the bidder, and the District will have no responsibility for payment of such premium and costs.

CERTIFICATE REGARDING MUNICIPAL BOND INSURANCE: If the winning bidder elects to obtain a policy of municipal bond insurance for the Bonds, the bidder will be required to execute and deliver to the District a certificate, in form and substance acceptable to bond counsel, stating that (a) the present value of the fees for the municipal bond insurance policy is less than the present value of expected interest savings as a result of the insurance, determined by using the yield of the Bonds as the discount rate in computing present value; and (b) based on the experience of the purchaser in assisting issuers to obtain municipal bond insurance, the fees for the bond insurance policy do not exceed a reasonable arm's length charge for transfer of the credit risk represented by the insurance and do not include any payment for any direct or indirect services other than the transfer of credit risk.

TERMS OF SALE

INTEREST RATE: No rate of interest may be bid which exceeds 8.00% per annum. Each rate bid must be a multiple of one-twentieth of one percent (1/20%) or one-eighth of one percent (1/8%), and a zero rate of interest cannot be specified. No Bond shall bear more than one interest rate, and all Bonds of the same maturity shall bear the same rate. Each Bond must bear interest at the rate specified in the bid from its dated date to its fixed maturity date.

This purchase price is net of purchaser's compensation and bond insurance premium, if obtained. No bid will be entertained which fails to satisfy the minimum and maximum purchase price requirements specified in this paragraph. In addition, no bid shall provide for original issue premium, net of purchaser's compensation and bond insurance premium, if obtained, which results in remaining original issue premium which exceeds interest due on the Bonds in the first 3 years.

The underwriter's fee for the Bonds shall not exceed 0.50%.

The successful bidder will be requested to wire on behalf of the District directly to a costs of issuance custodian a portion of the Bond proceeds in order to provide for payment of the costs of issuing the Bonds, as described below.

To the extent any instructions or directions set forth in BiDCOMP/PARITY® conflict with this Official Notice of Sale, the terms of this Official Notice of Sale shall control. For further information about BiDCOMP/PARITY®, bidders may contact the Municipal Advisor, Keygent LLC at (310) 322-4222 or BiDCOMP/PARITY® at (212) 404-8102.

THE DISTRICT RETAINS ABSOLUTE DISCRETION TO DETERMINE WHETHER ANY BID IS TIMELY AND COMPLETE. NONE OF THE DISTRICT, KEYGENT LLC ("MUNICIPAL ADVISOR"), OR DANNIS WOLIVER KELLEY ("BOND COUNSEL") TAKES ANY RESPONSIBILITY FOR INFORMING ANY BIDDER PRIOR TO THE TIME FOR RECEIVING BIDS THAT ITS BID IS INCOMPLETE OR NOT RECEIVED.

INSTRUCTIONS AND FORMS FOR SUBMITTING ELECTRONIC BIDS MUST BE OBTAINED FROM BiDCOMP/PARITY® AND THE DISTRICT ASSUMES NO RESPONSIBILITY FOR ENSURING OR VERIFYING BIDDER COMPLIANCE WITH THE PROCEDURES OF BiDCOMP/PARITY®. THE DISTRICT SHALL ASSUME THAT ANY BID RECEIVED THROUGH BiDCOMP/PARITY® HAS BEEN MADE BY A DULY AUTHORIZED AGENT OF THE BIDDER.

THE DISTRICT WILL MAKE ITS BEST EFFORTS TO ACCOMMODATE ELECTRONIC BIDS; HOWEVER THE DISTRICT, THE MUNICIPAL ADVISOR AND BOND COUNSEL ASSUME NO RESPONSIBILITY FOR ANY ERROR CONTAINED IN ANY BID SUBMITTED ELECTRONICALLY, OR FOR FAILURE OF ANY BID TO BE TRANSMITTED, RECEIVED OR ACCEPTED AT THE OFFICIAL TIME FOR RECEIPT OF BIDS. THE OFFICIAL TIME FOR RECEIPT OF BIDS WILL BE DETERMINED BY THE DISTRICT AND THE DISTRICT SHALL NOT BE REQUIRED TO ACCEPT THE TIME KEPT BY BiDCOMP/PARITY® AS THE OFFICIAL TIME.

PAYMENT OF ISSUANCE COSTS: The successful bidder will be requested to wire transfer a portion of the purchase price for the Bonds in the amount of $_____* representing the costs of issuing the Bonds from proceeds of the Bonds at the time of delivery of the Bonds. Such amount will be deposited with The Bank of New York Mellon Trust Company, N.A., as custodian, and will be disbursed by said custodian upon requisitions of the District. Any original issue premium on the Bonds received by the District will be deposited with the County in an interest and sinking fund for payment of debt service on the Bonds.

BEST BID: The Bonds will be awarded to the responsible bidder or bidders offering to purchase the Bonds at the *lowest true interest cost* to the District. The true interest cost of each bid will be determined on the basis of the present value of the aggregate future semiannual payments resulting from the interest rates specified by the bidder. The present value will be calculated to the dated date of the Bonds (assumed to be December 1, 2026) and will be based on the proposed bid amount (par value plus any premium). For the purpose of making such determination, it shall be assumed that any Bond designated as term bonds by the bidder shall be deemed to be payable on the dates and in the amounts as shown under the section entitled "MATURITIES" herein. Each bidder is requested, but not required, to state in his bid the percentage true interest cost to the District, which shall be considered as informative only and shall not be binding on either the bidder or the District. The determination of the best bid by the Municipal Advisor shall be binding and conclusive on all bidders.

RIGHT OF CANCELLATION OF SALE BY DISTRICT: The District reserves the right, in its sole discretion, at any time to cancel the public sale of the Bonds. In such event, the District shall cause notice of cancellation of this invitation for bids and the public sale of the Bonds to be communicated through PARITY® as promptly as practicable. However, no failure to publish such notice or any defect or omission therein shall affect the cancellation of the public sale of the Bonds.

RIGHT TO MODIFY OR AMEND: The District reserves the right, in its sole discretion, to modify or amend this official Notice of Sale at any time prior to the date and time for the receipt of bids, communicated through PARITY®.

The District reserves the right to increase or decrease the principal amount of any maturity of the Bonds. The aggregate principal amount of the Bonds will be equal to $100,000,000* under any circumstances. The District will give notice of any such adjustment to the successful bidder as soon as practicable following the notification of award. No such adjustment will alter the basis upon which the best bid is determined.

RIGHT OF POSTPONEMENT BY DISTRICT: The District reserves the right, in its sole discretion, to postpone, from time to time, the date established for the receipt of bids. Any such postponement will be communicated through the PARITY® prior to the date and time for the receipt of bids. If any date is postponed, any alternative sale date will be announced through PARITY® at least 24 hours prior to such alternative sale date. On any such alternative sale date, any bidder may submit a bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice of Sale, except for the date of sale and except for the changes announced by through PARITY® at the time the sale date and time are announced.

---

* Preliminary; subject to change.

RIGHT OF REJECTION: The District reserves the right, in its sole discretion, to reject any and all bids and to waive any irregularity or informality in any bid except that no bids will be accepted later than 9:00 A.M. Pacific Time on the date set for receipt of bids.

PROMPT AWARD: Pursuant to authority granted by the Board of Education of the District (the "Board"), the Superintendent, the Associate Superintendent/Chief Business Official, or another authorized District officer or designee, will take action awarding the Bonds or rejecting all bids not later than twenty-six (26) hours after the expiration of the time herein prescribed for the receipt of proposals; provided, that the award may be made after the expiration of the specified time if the bidder shall not have given to said Board notice in writing of the withdrawal of such proposal.

PLACE OF DELIVERY; CANCELLATION FOR LATE DELIVERY: It is expected that said Bonds will be delivered to DTC for the account of the successful bidder within thirty (30) days from the date of sale thereof. The successful bidder shall have the right, at his option, to cancel its obligation to purchase the Bonds if the Bonds are not tendered for delivery within thirty (30) days from the date of the sale thereof, and in such event the successful bidder shall be entitled to the return of the Deposit (defined below).

CHANGE IN TAX EXEMPT STATUS: At any time before the Bonds are tendered for delivery, the successful bidder may disaffirm and withdraw their proposal if the interest received by private holders from Bonds of the same type and character shall be declared to be taxable income under present federal income tax laws, either by a ruling of the Internal Revenue Service or by a final, non-appealable decision of any federal court, or shall be declared taxable, or be required to be taken into account in computing federal income taxes by any federal income tax law enacted subsequent to the date of this notice.

ESTABLISHMENT OF ISSUE PRICE: The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at closing an "issue price" certificate setting forth the reasonable expected initial offering price to the public or the sale price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Appendix A**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the District and Bond Counsel. All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District's Municipal Advisor identified herein and any notice or report to be provided to the District may be provided to the Municipal Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

(1) the District shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(2) all bidders shall have an equal opportunity to bid;

(3) the District reasonably expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the District shall so advise the winning bidder. The District shall treat the first price at which 10% of a maturity of the Bonds (the "10% Test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The winning bidder shall advise the District if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The District will not require bidders to comply with the "hold-the-offering-price rule" and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. **Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.**

If the competitive sale requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the District the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly

with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date that the Bonds are awarded by the District to the winning bidder.

CLOSING PAPERS; BOND PRINTING: Each proposal will be understood to be conditioned upon the District furnishing to the purchaser, without charge, concurrently with payment for and delivery of the Bonds, the following closing papers, each dated the date of delivery:

(a) The opinion of Dannis Woliver Kelley, Long Beach, California, Bond Counsel, approving the validity of the Bonds and stating that, subject to the District's compliance with certain covenants, interest on the Bonds for federal income tax purposes under existing statutes, regulations, published rulings, and court decisions will be excludable from the gross income of the owners thereof pursuant to section 103 of the Internal Revenue Code of 1986, as amended to the date of initial delivery of the Bonds, and will not be included in computing the alternative minimum taxable income of the owners thereof and interest on the Bonds is exempt from personal income taxes of the State of California. Other tax consequences to holders of the Bonds, if any, are not addressed in the opinion;

(b) A certificate of the District certifying that on the basis of the facts, estimates and circumstances in existence on the date of issue, it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds;

(c) A certificate of the District, signed by officers and representatives of the District, certifying that the officers and representatives have signed the Bonds whether by facsimile or manual signature, and that they were respectively duly authorized to execute the same;

(d) The receipt of the County evidencing the receipt of the net purchase price of the Bonds;

(e) A certificate of the District, certifying that there is no known litigation threatened or pending affecting the validity of the Bonds; and

(f) A certificate of the District, signed by an officer of the District, acting in his/her official capacity, to the effect that at the time of the sale of the Bonds, and at all times subsequent thereto up to and including the time of the delivery of the Bonds, the Official Statement relating to the Bonds did not contain any untrue statement of a material

fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

CUSIP NUMBERS: It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses of printing CUSIP numbers on the Bonds and the CUSIP Service Bureau charge for the assignment of said numbers shall be paid by the successful bidder.

CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION: The successful bidder will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission when due.

DTC FEES: All fees due DTC with respect to the Bonds shall be paid by the successful bidder or bidders.

OFFICIAL STATEMENT: The District has caused to be prepared a Preliminary Official Statement describing the Bonds in a form deemed final by the District within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, except for certain information which is permitted under said Rule 15c2-12 to be omitted from the Preliminary Official Statement. A copy of the Preliminary Official Statement will be furnished upon request to the Municipal Advisor, as follows: Keygent LLC, 1730 E. Holly Avenue, El Segundo, California 90245 telephone (310) 322-4222. The District will furnish to the successful bidder within seven business days following the date of award, at no charge, not in excess of 25 copies of the Official Statement for use in connection with any resale of the Bonds.

DISCLOSURE CERTIFICATE: The District will deliver to the purchaser of the Bonds a certificate of an official of the District, dated the date of Bond delivery, stating that at the time of the sale of the Bonds, and at all times subsequent thereto up to and including the time of the delivery of the Bonds, to the best of the knowledge and belief of said official, the Official Statement did not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

CONTINUING DISCLOSURE: In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the District will undertake, pursuant to the resolution authorizing issuance of the Bonds and a Continuing Disclosure Agreement, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the preliminary Official Statement and will also be set forth in the final Official Statement.
