Closed: Initial L-Blends

In small-group intervention, we will learn to read and spell closed syllable words with the initial l-blend pattern.

Closed Syllable	Closed syllable words have one vowel letter followed by one or more consonants, and the vowel sound is short.
Initial L-Blends	A type of consonant blend that has two consonant sounds side by side, and the second one is /l/—the sound of the letter l, as in block.
