Closed: Final S-Blends

In small-group intervention, we will learn to read and spell closed syllable words with the final s-blend pattern.

Closed Syllable	Closed syllable words have one vowel letter followed by one or more consonants, and the vowel sound is short.
Final S-Blends	An s-blend is a type of consonant blend. A final blend comes at the end of a word. It has two consonant sounds side by side, and the first one is /s/—the sound of the letter s, as in toast.
