Overview

South San is committed to engaging Families and the community in the education of our children. By participating in Title I programs, our district is able to provide high-quality education to all students. South San ISD will hold three meetings throughout the school year to renew the Parent and Family Engagement Policy with our district families. Together, we will discuss how to use the funds provided by the federal government. Meetings will be provided in both English and Spanish on various days and times to ensure multiple opportunities to collaborate in meaningful conversations and create an inviting learning environment to increase student academic achievement.
