Santa is ready to meet children, teens, and young adults with disabilities (and their siblings) for a sensory-friendly photo experience. This event offers a quiet setting for those needing extra time and no lines for less stress. While waiting, families can enjoy hands-on sensory activities and crafts and a trackless train ride outside in the park. Each family will receive a framed photo as a special keepsake.

PRE-REGISTRATION REQUIRED BY: Wednesday, December 2, 2026
