1. Employee Assistance Program (Annual)

Diligent 7.9

Contact: Stephen Christian

Funding Source: Supplemental General Fund; 2026-27 Budget

Purpose: On June 1, 2026, prior approval was requested from the BOE to purchase Employee Assistance Program (EAP) services from both Magellan Healthcare Inc., and EMPAC, for the 2026-2027 school year. The district's contract with Magellan Healthcare was concluded effective July 31, 2026, following challenges with local provider availability. To ensure employees and their household members continued to have access to Employee Assistance Program services, the district engaged EMPAC to provide interim counseling support while a new agreement was developed.

EMPAC has an established relationship with the district and experience supporting our employees with personal, family, and workplace-related concerns. An agreement has now been reached which establishes EMPAC as the district's sole EAP provider and includes their wide range of EAP benefit offerings. The agreement provides up to eight counseling sessions per household per calendar year, regardless of the number of issues addressed or household members using the service.

The agreement also includes supplemental support for employees, specifically for formal (mandatory) management referrals. Referrals of this nature often involve alcohol or substance abuse, or other serious well-being concerns. EMPAC's local provider network will ensure that timely, immediate support for employees with the most critical needs is readily available.

Recommendation: It is recommended that the Board approve an amount not to exceed $185,291 for EMPAC to provide Employee Assistance Program services for the 2026-2027 fiscal year, subject to review for renewal. Should additional services be required for the 2026-2027 school year, the services should be billed at the contracted price and should not be returned to the Board.

   Diligent 7.10

   Contact: Stephen Christian, Dan Lawrence

   McDonald Tinker PA have submitted a statement for September 2026 legal services and expenses for Workers' Compensation in the amount of $14,744.76.

   This brings the 2026-27 fiscal year-to-date total to $132,057.61 for Civil Litigation services and $52,480.51 for Workers' Compensation services.

   Recommendation: It is recommended that the Board authorize payment for legal services and expenses for Civil Litigation and Workers' Compensation under the school district's self-insured programs for September 2026 in the amount of $54,841.01 to Fleeson, Gooing, Coulson & Kitch, LLC and the amount of $14,744.76 to McDonald Tinker PA.

INTRODUCTION

A. The entering into this Agreement and the terms of this Agreement are governed by the Act. The terms of this Agreement apply to employees of the District who are members of the Bargaining Unit. The members of the Bargaining Unit and the Board have ratified this Agreement. The Agreement is for a term of one years, beginning July 1, 2025, and ending June 30, 2026. In addition, the Board and the Union may agree to reopen negotiations at any time during the term of this Agreement in order to make amendments to this Agreement. The parties agree to exchange proposals that relate to negotiating an agreement for the 202~~6~~7-202~~7~~8 school year on or before February 1, 2027~~6~~.

B. Appendix "A" to this Agreement is adopted by reference and incorporated by reference into this Agreement as though fully set forth in this Agreement.

ARTICLE I: RECOGNITION

A. The Board recognizes the Union as the exclusive representative for the purpose of meeting and conferring and the settlement of grievances for those designated in the Bargaining Unit.

K. Flexible Spending

The Board shall provide a Flexible Spending Account Plan established pursuant to Section 125 of the Internal Revenue Code which will allow voluntary payroll deduction. The substance and procedures of the Plan, and any changes thereto, are in each instance to be determined by the Board after consultation with the Union. The Plan shall include only dependent care assistance and non-reimbursed medical expenses. Health insurance premiums will be deducted from wages on a pre-tax basis through the use of a Section 125 Cafeteria Plan.

L. Reassignment

Employees who are reassigned from one employee group to another will be subject to decisions by the Human Resources Division concerning temporary leave, longevity payments, and other conditions of employment. Such decisions shall be based on relevant provisions of various policies, procedures and employment agreements in addition to the past practices of the district and maintenance of equity among employees.

M. Catastrophic Emergency Benefit Plan

The Catastrophic Benefit Pool was established to help employees recover payment for days they have entered into deduct status after they have exhausted all their temporary leave and experience a Qualifying Medical Emergency or Extraordinary Hardship.~~major disaster declared by the President of the United States or a qualified medical emergency. The catastrophic event would need to be considered a qualifying Family Medical Leave event to be deemed a qualifying medical emergency.~~ A "Qualifying Medical Emergency" is any serious health condition that is both emergent and qualifies as a "serious health condition" as defined by 29 CFR 825.113. "Extraordinary Hardship" shall be determined by the Department of Human Resources on a case-by-case basis and in the exercise of its discretion.

1. The plan shall be established by allowing each benefited employee to contribute one (1) day of temporary leave into the plan. Those who wish to enroll in the Plan (those new to the

district, those who wish to enroll for the first time, or those who went off benefits since they contributed a day) may do so at any time during the year. Those who have contributed a day in the past will NOT be allowed to do so again unless they went off benefits since, they contributed the day or if in the future the hours drop low enough that the pool is required to be replenished.

2. All applicable temporary leave must be exhausted before individuals are eligible to apply for reinstatement of temporary leave days already deducted because of the catastrophe. Temporary leave must be in deduct and showing up as such on the PeopleSoft system before individuals are eligible. The specific coverage may be altered by the Board at any time so long as the coverage provided complies with the expressed terms of this agreement.

ARTICLE XIII: TEMPORARY LEAVE

A. Eligibility
Employees are eligible to accrue temporary leave days if they are working in a permanent position twenty (20) hours or more per week. Temporary leave days are computed on a common factor for all eligible Employees based on one (1) day earned for every fifteen (15) days in pay status.

B. Accrual
Each Employee who is eligible to accrue temporary leave days will be granted the number of days to which he/she is entitled for a year on the first day that the Employee reports for work on or after July 1. Temporary leave days will be prorated for any eligible Employee who works less than full-time or who is hired after July 1. Temporary leave days granted shall be added immediately to the Employee's accumulation. Probationary Employees will not be granted any temporary leave days in advance of such days being earned.

C. Unused Temporary Leave
Unused temporary leave days will be cumulative without limit.

D. Use of Temporary Leave
Accumulated temporary leave days may be used for:

1. Personal Illness, Injury, Incapacitation
Personal illness, injury, or incapacitation up to the maximum number of days the Employee has accumulated. However, no Employee may use temporary leave days for any single such disability beyond 180 calendar days from the first day of the disability. If the absence qualifies or will qualify for short-term disability and an Employee will be absent six (6) or more consecutive work days, the Employee must notify Employee Benefits and Insurance Management and provide medical documentation to Employee Benefits and Insurance Management within fourteen (14) calendar days of the onset of the absence. Employee Benefits and Insurance Management may require the ongoing verification of disability.
2. Family Illness & Family Death (Bereavement)
Employees may use ~~up to fourteen (14) days per contract year from~~ their available temporary leave for absences related to family illness or bereavement. These days are not in addition to temporary leave but are drawn from the existing temporary leave balance.

   a. Family Illness
   ~~Up to fourteen (14) days~~Temporary leave may be used for the illness or injury of a spouse, child, or parent, as week as extended family members or other significant individuals in the employee's life.~~ Up to eight (8) of these days may be used for the illness or injury of extended family members or other significant individuals in the employee's life.~~

   b. Family Death (Bereavement)
   ~~Up to fourteen (14) days~~Temporary leave may be used for bereavement leave due to the death of an immediate family member, extended family member, or other significant individual in the employee's life. Any absence of five or more consecutive days will require medical certification or other appropriate documentation to demonstrate the appropriate use.

   These provisions do not limit an eligible employee's right to additional unpaid leave under the Family and Medical Leave Act (FMLA), although FMLA may run concurrently with these benefits. FMLA provides up to 12 workweeks of unpaid, job-protected leave in a 12-month period for eligible employees to care for a spouse, child under the age 18, disabled adult child, or parent with a serious health condition.

3. Personal Business

However, temporary leave days for personal business will not be used to extend vacation and/or to extend adopted Board-approved holidays (with the exception of the District conference release day in November), or non-working days. Personal business leave is provided for the Employee who is confronted with serious and

urgent individual or family problems, emergency situations, or legal demands which cannot be attended to at any time other than through the Employee's duty day. Personal business leave may be used in the event of the illness or death of a friend or any other relative not identified as a member of the immediate family. Personal business leave is not provided for recreation or avocational activities. The Employee is not required to give the specific reason or nature of the personal business but must state that it falls within the above definition. The immediate supervisor must be notified as soon as the Employee knows of the need for personal business leave in order for the necessary arrangements to be made. Repetitive use of personal business leave without proper notice, normally at least 24 hours in advance, will be cause for review.

4. Temporary Active Duty
   Temporary active duty up to a maximum of thirty (30) days per fiscal year. Non-Chargeable Leave for temporary active duty is provided for the Employee who is a member of a reserve military unit which is ordered to active duty as a result of an emergency or disaster.

Adoptive and foster parents are also eligible for up to six (6) weeks of paid leave for bonding following the placement of a child. This leave is charged to temporary leave as personal illness (PI) and must be approved through the Employee Benefits office.

   Paid parental and adoptive leave under this provision does not limit or replace the employee's right to take up to 12 workweeks of unpaid, job-protected leave under the Family and Medical Leave Act (FMLA), if eligible, although FMLA may run concurrently with these benefits. FMLA bonding leave must be taken within 12 months of the birth or placement of the child. If both parents are employed by the District, they may be limited to a combined total of 12 workweeks of FMLA bonding leave, in accordance with FMLA regulations.

E. Charging Temporary Leave

Absence for a part of a day for hourly Employees shall be charged as temporary leave in amounts no smaller than one quarter hour.

F. Excessive Absences
   Absences in excess of accumulated temporary leave or in excess of the specified limits are deducted from the Employee's salary at a daily rate for each day of such excess. However, the specified limits may be extended by the Chief Human Resources Officer upon written request by the Employee if the Employee has accumulated sufficient days.

G. Absences Subject to Review

All chargeable absences that continue beyond the specified limits, all absences without leave, all absences which are too frequent, and all chargeable absences which end without the Employee giving proper advance notice will be subject to review and appropriate action by the Administration.

H. Reemployment
Any former Employee who is reemployed within twelve (12) months of the date of termination, upon satisfactory completion of his/her probationary period, will have his/her temporary leave days that were accrued at the time of his/her separation reinstated for up to a maximum of five (5) years unless severance compensation has been paid for such leave.

Further, the Director of Safety Services or Building Principal may request, given evidence there is just cause, a physician's statement requiring medical verification at any time the Employee is absent.

J. Voting in Elections
In accordance with the provisions of Kansas Labor Laws, (KSA, 1978, Supp. 25-418) persons entitled to vote at a general or primary election will be entitled to absent themselves from their employment under the circumstances and for the period of time described therein.

K. Court/Jury Duty

Such leaves are subject to the provisions of the Board policy on extended leaves.

An Employee will be allowed to take an unpaid leave of absence for military service in accordance with the employee handbook.

B. The Board agrees that during the term of this Agreement, there will be no lockout. Lockout is defined in K.S.A. 75-4322 (r) as any action taken by the Board to provoke interruptions of or prevent the continuity of work normally and usually performed by the Employees for the purpose of coercing the Employees into relinquishing rights guaranteed by the Act.

ARTICLE XVII:
FURLOUGH AND REDUCTION IN FORCE

The Superintendent of Schools shall have the responsibility for determining the number of safety services positions employed by the school district. If the Superintendent determines the need to reduce the number of safety services positions, the Superintendent may, in his/her discretion, furlough safety services employees for a specified period not to exceed ninety (90) days or declare a reduction in force. In either event, the following administrative implemental procedures shall take full force and effect and shall apply to all safety services employees.

1. If a reduction in force is necessary, the greatest possible reduction shall be accomplished through attrition.

2. If a reduction in force is necessary, the remaining reduction in the number of positions shall be accomplished by layoff.
    a. The reduction shall be applied to the largest group of safety services positions which may be reasonable considered. The Superintendent or designee shall consult with union representatives prior to determining the group or groups of safety services positions from which the reduction shall be made.

    b. Within each specified classified group, safety services employees shall be selected by the respective administrative for layoff in the following order:
        1) Probationary safety services employees within the 90 day probationary period.

2) Safety services employees on probation when a reduction in force is declared.

3) Safety services employees who are on a Plan of Assistance when a reduction in force is declared.

4) Within each of the above sub- paragraphs, if two or more safety services employees are otherwise equally eligible for selection, employees with shorter lengths of total seniority within the district will be selected before those with longer lengths of total district seniority.

5) Following the above procedures, if two or more safety services employees are equally eligible based on total seniority in the district, employees with the shorter lengths of current employment within the position will be selected before those of longer length of current employment.

c. After implementing such a reduction procedure, the list of names of laid off safety services employees shall be maintained by the Human Resources Division for two (2) years.

d. Any safety services employee who has been so laid off shall no longer be considered an employee and shall have no employee rights or benefits other than those required by law or by this policy.

e. Any safety services employee who has been so laid off may retain membership in the Board provided health coverage plan for a period of up to 18 months. However, the Board shall make no contribution and the employee must make advance arrangements for payment of premiums with the Employee Benefits and Insurance Management Office.

f. It is the responsibility of the listed laid off safety services employee to keep the Human Resources Division informed of their current contact information, i.e., e-mail address, current address, and phone number. Additionally, the laid off employee will maintain a current electronic employment application with Human Resources.

g. The named safety services employee on the list will be considered an internal application. If a safety services vacancy occurs within two (2) years for which the named safety services employee on the list is qualified, the employee will be contacted to interview for the open position. The usual employment procedures will be followed in determining the fitness for employment.

h. If any safety services employee on the list waives recall rights in writing, fails to accept recall to a position for which the employee is qualified, fails to respond within 10 days to a recall notice sent to the latest address furnished to Human

Resources Division, or fails to report for duty in the accepted position, the name of such safety services employee shall be removed from the list and such safety services employee shall have no further recall rights.

i. Any safety services employee who is recalled shall regain all employment benefits to which he/she was entitled at the time of layoff. However, no benefits may be accrued during the period of unemployment and the safety services employee shall be subject to all changes in employment conditions which have been made in the interim.

j. In lieu of a reduction in force, the Superintendent may determine, in his/her discretion, that there is a need to furlough safety services employees for a specified period not to exceed ninety (90) days. If so, the measures set forth in paragraph 2 above will govern the selection of employees for furlough, and the measures set forth in paragraphs 3, 4, 5, 6, 7, 8 and 9 will apply to employees who have been furloughed. If necessary, the Superintendent may determine in his/her discretion that it is necessary to eliminate the positions of and lay off employees who have been furloughed.

k. Employees on furloughed status shall retain vacation and/or temporary leave balances, and longevity status, accrued as of the date on which the employee is furloughed; however, no additional vacation and/or temporary leave, or longevity, will accrue during the furlough period. Furloughed employees are eligible to retain health and dental coverage in place as of the date they are furloughed, subject to the terms and conditions of the applicable plan(s). Furloughed employees remain responsible for their share of the cost of their coverage, with payment of the employee's share due at the same time as it would be made if by payroll deduction, or by an alternate payment schedule approved by Employee Benefits.

ARTICLE XVIII: GRIEVANCE PROCEDURE

A. Purpose and Definitions

1. The purpose of this grievance procedure shall be to resolve good faith differences of opinion regarding the interpretation or application of this agreement.

2. Grievance: any alleged violation or misapplication of this agreement.

3. Grievant: an Employee who has filed a grievance or, in the case of a group grievance, the Union.

B. Time Limitations

1. The time limitations specified at each level may be extended by mutual agreement between the grievant or his/her representative and the Superintendent or designee.

2. When the term “days” is used herein, unless otherwise specified, it shall mean contract days during the school year and calendar days between school years.

C. Informal Level

1. Prior to filing a grievance in writing and within fourteen (14) days after the occurrence of the event upon which it is based, the grievant and his/her representative, if any, shall attempt to resolve the matter informally by requesting a meeting with the immediate supervisor. Such a meeting shall be held within seven (7) days after the request is made.

2. Lack of adherence to informal level remedy shall retain grievance status.

D. Level One

1. If the matter is not resolved informally to the satisfaction of the grievant, the grievance must be filed in writing with the grievant’s immediate supervisor within seven (7) days after the first informal meeting and a copy of such grievance shall be forwarded to the Union President or designee and the Superintendent or designee.

2. Within seven (7) days after receiving the Level One grievance, the immediate supervisor may, at his/her option, hold a discussion meeting with the grievant and his/her representative, if any. Within seven (7) days after the discussion meeting, if one is held, or within seven (7) days after the grievance is filed in writing, the immediate supervisor shall make a decision in writing, together with the supporting reasons. Copies shall be forwarded to the grievant, the grievant’s representative, if any, the Union President or designee and the Superintendent or designee.

3. (a) The Union, as an alternative to the informal level and to an Employee(s) filing a Level One grievance, may file with the Superintendent an alternative Level One grievance in circumstances where the otherwise grievant(s) has a genuine concern that the filing of a grievance might result in retaliation being taken by the grievant’s immediate supervisor. The President of Union shall verify to the Superintendent that the person who would otherwise file the grievance has a genuine concern that the filing of a grievance might result in retaliation being taken by the otherwise grievant’s immediate supervisor. It is understood by the Union that the Board does not tolerate retaliation by supervisors against persons who file grievances, and the Union agrees that it will cooperate with the Superintendent regarding the addressing and eliminating of situations where retaliation may be occurring.

(b) Upon the filing of an alternative Level One grievance, the Union shall file a written statement that sets out the alleged violation or misapplication of this Agreement. If the matter is not informally resolved between the Superintendent and the Union to the satisfaction of the person(s) who would otherwise have filed the grievance within ten (10) days after the grievance is filed, then the Superintendent and President shall meet at their mutual earliest convenience. Upon such meeting the Superintendent and President shall select a neutral person as a hearing officer to serve on a panel with the Union President and

the Superintendent to decide whether there was a violation or misapplication of this agreement. The decision of the panel shall be final.

E. Level Two

1. Within seven (7) days after receiving the decision at Level One, the grievant may appeal the decision in writing to the Superintendent. The grievant shall forward copies to the immediate supervisor, the grievant's representative, if any, the Union President or designee and the Superintendent or designee.

2. Within fourteen (14) days after receipt of the written appeal or a grievance filed at Level Two, the Superintendent or designee will meet with the grievant and/or representative of the Union and all parties of interest in an effort to resolve the grievance.

3. Within fourteen (14) days after the meeting specified in Paragraph 2 above, the Superintendent or designee shall make a decision in writing. Copies shall be forwarded to the grievant, the immediate supervisor, the grievant's representative if any, the Union President or designee and the Superintendent or designee.

F. Level Three (Termination Grievances Only)

1. Within twenty (20) days after receiving the decision at Level Two, the grievant may appeal the decision of the Superintendent or designee to a hearing officer. The grievant shall forward copies of the request for a hearing officer to the grievant's representative, if any, the Union President or designee and the Superintendent or designee.

2. Within ten (10) days after the receipt of the request for a hearing officer, the parties shall jointly submit an open records request to the chief legal counsel for the Kansas State Department of Education for the list of hearing officers compiled by the Commissioner of Education as required by K.S.A. 72-5438(f) and amendments thereto. If the list exceeds five (5) names, the first five (5) names on the list will be the panel from which the hearing officer will ultimately be chosen. Any list provided after the first requested list that exceeds five (5) names will be chosen on a rotational basis, e.g., if there are eight names on the second list, then the sixth, seventh, eighth, first and second names on the list will serve as the panel from which the hearing officer will be chosen. After the panel has been selected, the right to first strike a name shall be determined by the flip of a coin. The parties shall then alternately strike names from this list until one name remains. The person whose name remains shall be the hearing officer. The hearing officer will be notified of his/her selection by a joint letter from the petitioner and the District, requesting that he/she set a time and place for the hearing subject to the availability of the parties, and the letter shall specify by stipulation the issue to be determined by the hearing officer.

3. The hearing officer will generally consider the following guidelines, as appropriate, in making a determination as to whether there is just cause to terminate.

   (a) Was the employee, if appropriate, warned of the consequences of his or her conduct? The warning may be given orally or in writing. There are exceptions for certain conduct, such as, but not limited to, coming to work under the influence of alcohol and/or drugs, falsification documents including electronic documents, stealing District property, and behavior that threatens the health or safety of students, District employees or members of the public.

   (b) If the termination involves not following a rule or an order, was the employer's rule or order reasonably related to efficient and safe operations? Was the rule or order communicated?

   (c) Did the employer investigate before administering discipline, i.e., did the investigation include interviews of key witnesses and review of necessary documents, including those witnesses and documents suggested by both the employee and the District?

   (d) Can the District meet its burden of proof by a preponderance of the evidence?

   (e) Were rules, orders and discipline applied consistently and without discrimination?

   (f) Did the employer use progressive discipline, if appropriate?

   (g) Did the District, if appropriate, take into account the employee's length of service and past record, except conduct described in (a) above?

4. The hearing officer shall have no right to add to, subtract from, nullify, ignore or modify any of the terms of this agreement. The hearing officer shall consider and decide only the stipulated issue presented to the hearing officer in writing by the district and the grievant, and the hearing officer's decision and award shall be based solely on the hearing officer's interpretation of the application of the terms of the agreement to the issue stipulated. If the parties were unable to stipulate the issue, the hearing officer shall first determine the issue to be decided as presented by one party or the other without alteration. If the matter presented to the hearing officer does not involve interpretation of the terms or provisions of this agreement, the hearing officer shall so rule in his/her award and shall make no other decision on the issue. The hearing officer shall render no award under this agreement which shall be retroactive beyond the date of the event on which the grievance is based. The award of the hearing officer shall be final and binding upon the Board, the Union, and the grievant involved.

5. The hearing officer so selected shall fix the time and place for the hearing and notify the parties thereof. In any disciplinary grievance, the hearing officer shall have no authority to alter or amend any discipline imposed by the district if the hearing officer finds either that

the district's actions did not violate the agreement, or that there was just cause for the action.

6. No hearing officer decision made hereunder shall constitute a binding precedent with respect to any renewal of the existing agreement or the making of a new agreement between the Union and the Board. The force and effect of hearing officer decisions shall expire when the agreement expires unless the language involved is substantially the same in the expired agreement and the new agreement.

7. No decision of the hearing officer in any one case shall create a basis for retroactive adjustment in any other case which arose prior to the date of the written decision of the panel, unless the Union and the district mutually agree otherwise in writing.

8. The fees and expenses of the hearing officer shall be borne equally by both parties. Each party shall be responsible for its own hearing expenses. The party producing any witnesses shall pay the expenses of said witness, if any. Upon request of either party, an official court reporter shall record the proceedings, and the party making such request shall pay the cost of the reporter. If the other party requests a copy of the proceeding, that party shall share equally the costs of the reporter.

G. Board Review (All Grievances other than Termination)

1. Should the decision (relating to grievances other than termination grievances as outlined in Item F above) of the administrative review be unsatisfactory to the grievant, within ten (10) regular workdays of the rendering of the decision, the grievant may make a written request for appeal to the Board. The grievant shall file a request for appeal with the Chief Human Resources Officer and/or designee.

2. The Chief Human Resources Officer and/or designee will set a hearing date with a committee of the Board not fewer than ten (10) regular workdays or more than forty (40) regular work days after such an appeal is filed with the Chief Human Resources Officer and/or designee and the grievant will be informed in writing of the time, date, and place of the hearing at least five (5) regular work days prior to the hearing.

3. The grievant may be represented by an authorized representative of the Union, himself/herself, legal counsel, or any other person selected by the grievant. The grievant may also have witnesses appear at the hearing. The Chief Human Resources Officer and/or designee shall be informed in writing five (5) days prior to the hearing with the Board of the grievant's representatives and all witnesses to be present during the hearing.

4. The Board of Education, or a committee thereof, shall conduct the hearing in executive session unless the employee requests an open hearing.

5. The grievant will be given a written decision of the Board within thirty (30) regular work days following the conclusion of the hearing.

6. The final decision lies with the Board of Education, except that the employee shall have other remedies or appeals as are provided by the federal or state constitutions or by law.

H. Legal or Statutory Remedy

If the grievant pursues any legal or statutory remedy for an issue, then any further or subsequent proceedings for relief through the grievance procedure shall be barred unless the court or administrative agency refuses jurisdiction until all administrative remedies have been exhausted.

I. Reprisal/Discrimination

No employee shall be subject to any reprisal or discrimination by reason of the exercise of his/her rights under this Grievance Procedure or any appeal provisions set forth herein.

Employee Benefits and Insurance Management may require the ongoing verification of disability.

2. Family Illness & Family Death (Bereavement)
Employees may use their available temporary leave for absences related to family illness or bereavement. These days are not in addition to temporary leave but are drawn from the existing temporary leave balance.

   a. Family Illness
   Temporary leave may be used for the illness or injury of a spouse, child, or parent, as well as extended family members or other significant individuals in the employee's life.

   b. Family Death (Bereavement)
   Temporary leave may be used for bereavement leave due to the death of an immediate family member, extended family member, or other significant individual in the employee's life. Any absence of five or more consecutive days will require medical certification or other appropriate documentation to demonstrate the appropriate use.

   These provisions do not limit an eligible employee's right to additional unpaid leave under the Family and Medical Leave Act (FMLA), although FMLA may run concurrently with these benefits. FMLA provides up to 12 workweeks of unpaid, job-protected leave in a 12-month period for eligible employees to care for a spouse, child under the age 18, disabled adult child, or parent with a serious health condition.

3. Personal Business
Personal business up to a maximum of three (3) days per fiscal year by employees with less than twenty (20) years employment with the Board, and up to a maximum of four (4) days per fiscal year by Employees with twenty (20) years or more employment with the Board. Temporary leave days for personal business will be granted as long as regular work assignments can be carried on. However, temporary leave days for personal business will not be used to extend vacation and/or to extend adopted Board-approved holidays (with the exception of the District conference release day in November), or non-working days. Personal business leave is provided for the Employee who is confronted with serious and urgent individual or family problems, emergency situations, or legal demands which cannot be attended to at any time other than through the Employee's duty day. Personal business

leave may be used in the event of the illness or death of a friend or any other relative not identified as a member of the immediate family. Personal business leave is not provided for recreation or avocational activities. The Employee is not required to give the specific reason or nature of the personal business but must state that it falls within the above definition. The immediate supervisor must be notified as soon as the Employee knows of the need for personal business leave in order for the necessary arrangements to be made. Repetitive use of personal business leave without proper notice, normally at least 24 hours in advance, will be cause for review.

4. Temporary Active Duty
   Temporary active duty up to a maximum of thirty (30) days per fiscal year. Non-Chargeable Leave for temporary active duty is provided for the Employee who is a member of a reserve military unit which is ordered to active duty as a result of an emergency or disaster.

5. Parental/ Adoptive Leave
   Employees who are legal parents or guardians are eligible for up to six (6) weeks of paid parental leave per contract year for the purpose of attending the birth of their child and participating in bonding time following birth. Adoptive and foster parents are also eligible for up to six (6) weeks of paid leave for bonding following the placement of a child. This leave is charged to temporary leave as personal illness (PI) and must be approved through the Employee Benefits office.

   Paid parental and adoptive leave under this provision does not limit or replace the employee's right to take up to 12 workweeks of unpaid, job-protected leave under the Family and Medical Leave Act (FMLA), if eligible, although FMLA may run concurrently with these benefits. FMLA bonding leave must be taken within 12 months of the birth or placement of the child. If both parents are employed by the District, they may be limited to a combined total of 12 workweeks of FMLA bonding leave, in accordance with FMLA regulations.

E. Charging Temporary Leave
   When an Employee is absent from his/her assignment for any of the above reasons, such absence will be a chargeable absence and the number of days of such chargeable absence will be subtracted from his/her accumulated temporary leave days. Absence for a part of a day for hourly Employees shall be charged as temporary leave in amounts no smaller than one quarter hour.

F. Excessive Absences
   Absences in excess of accumulated temporary leave or in excess of the specified limits are deducted from the Employee's salary at a daily rate for each day of such excess. However, the specified limits may be extended by the Chief Human Resources Officer upon written request by the Employee if the Employee has accumulated sufficient days.

G. Absences Subject to Review
All chargeable absences that continue beyond the specified limits, all absences without leave, all absences which are too frequent, and all chargeable absences which end without the Employee giving proper advance notice will be subject to review and appropriate action by the Administration.

H. Reemployment
Any former Employee who is reemployed within twelve (12) months of the date of termination, upon satisfactory completion of his/her probationary period, will have his/her temporary leave days that were accrued at the time of his/her separation reinstated for up to a maximum of five (5) years unless severance compensation has been paid for such leave.

I. Exceeding Five Days
If temporary leave is claimed in excess of five (5) consecutive days for an illness, injury, or incapacitation, on or before the end of the sixth day certification by a physician may be required before the wages for the period of leave are paid. Further, the Director of Safety Services or Building Principal may request, given evidence there is just cause, a physician's statement requiring medical verification at any time the Employee is absent.

J. Voting in Elections
In accordance with the provisions of Kansas Labor Laws, (KSA, 1978, Supp. 25-418) persons entitled to vote at a general or primary election will be entitled to absent themselves from their employment under the circumstances and for the period of time described therein.

K. Court/Jury Duty
Non-chargeable temporary leave for court duty or jury duty may be granted to an Employee to appear in court to answer a jury summons or for reasons other than personal neglect, violation of law, or matters in which the Employee has a vested interest. The amount paid for jury duty or witness fees, if any, shall be deducted from the Employee's regular pay. Verification of the amount received for jury duty or witness fees must be provided.

L. Notifying Supervisor
Employees desiring to be off duty for any reason should notify their supervisor as far in advance as possible, and in no event less than one hour before the beginning of their scheduled shift. If circumstances beyond the employee’s control prevent the employee from giving timely notice, the District may require the employee to provide documentation verifying such claim.

ARTICLE XIV: EXTENDED LEAVE

An Employee may be granted extended leave without pay or benefits, subject to approval of the Board, for health; illness of spouse, child or parent; maternity; paternity; adoption; study; campaigning for or serving in public office; or professional activities. Such leaves are subject to the provisions of the Board policy on extended leaves.

An Employee will be allowed to take an unpaid leave of absence for military service in accordance with the employee handbook.

ARTICLE XV: PLAN OF ASSISTANCE

The Plan of Assistance is designed to be helpful. It is initiated when other means of the assistive process have not been successful, and the supervisor determines that the Employee needs additional assistance and support to maintain or achieve an acceptable level of performance.

ARTICLE XVI: NO STRIKE-LOCKOUT CLAUSE

A. The Union will not authorize, cause, aid, ratify or condone, nor will any Employee take part in, aid, render assistance to, or support any strike, sit-down, slow-down, stoppage of work, boycott, picket, or other interruption of work at any facilities or in the operation of the District.

B. The Board agrees that during the term of this Agreement, there will be no lockout. Lockout is defined in K.S.A. 75-4322 (r) as any action taken by the Board to provoke interruptions of or prevent the continuity of work normally and usually performed by the Employees for the purpose of coercing the Employees into relinquishing rights guaranteed by the Act.

ARTICLE XVII:
FURLOUGH AND REDUCTION IN FORCE

The Superintendent of Schools shall have the responsibility for determining the number of safety services positions employed by the school district. If the Superintendent determines the need to reduce the number of safety services positions, the Superintendent may, in his/her discretion, furlough safety services employees for a specified period not to exceed ninety (90) days or declare a reduction in force. In either event, the following administrative implemental procedures shall take full force and effect and shall apply to all safety services employees.

1. If a reduction in force is necessary, the greatest possible reduction shall be accomplished through attrition.

2. If a reduction in force is necessary, the remaining reduction in the number of positions shall be accomplished by layoff.
    a. The reduction shall be applied to the largest group of safety services positions which may be reasonable considered. The Superintendent or designee shall consult with union representatives prior to determining the group or groups of safety services positions from which the reduction shall be made.

b. Within each specified classified group, safety services employees shall be selected by the respective administrative for layoff in the following order:

    1) Probationary safety services employees within the 90 day probationary period.

    2) Safety services employees on probation when a reduction in force is declared.

    3) Safety services employees who are on a Plan of Assistance when a reduction in force is declared.

    4) Within each of the above sub- paragraphs, if two or more safety services employees are otherwise equally eligible for selection, employees with shorter lengths of total seniority within the district will be selected before those with longer lengths of total district seniority.

    5) Following the above procedures, if two or more safety services employees are equally eligible based on total seniority in the district, employees with the shorter lengths of current employment within the position will be selected before those of longer length of current employment.

c. After implementing such a reduction procedure, the list of names of laid off safety services employees shall be maintained by the Human Resources Division for two (2) years.

d. Any safety services employee who has been so laid off shall no longer be considered an employee and shall have no employee rights or benefits other than those required by law or by this policy.

e. Any safety services employee who has been so laid off may retain membership in the Board provided health coverage plan for a period of up to 18 months. However, the Board shall make no contribution and the employee must make advance arrangements for payment of premiums with the Employee Benefits and Insurance Management Office.

f. It is the responsibility of the listed laid off safety services employee to keep the Human Resources Division informed of their current contact information, i.e., e-mail address, current address, and phone number. Additionally, the laid off employee will maintain a current electronic employment application with Human Resources.

g. The named safety services employee on the list will be considered an internal application. If a safety services vacancy occurs within two (2) years for which the named safety services employee on the list is qualified, the employee will be

contacted to interview for the open position. The usual employment procedures will be followed in determining the fitness for employment.

h. If any safety services employee on the list waives recall rights in writing, fails to accept recall to a position for which the employee is qualified, fails to respond within 10 days to a recall notice sent to the latest address furnished to Human Resources Division, or fails to report for duty in the accepted position, the name of such safety services employee shall be removed from the list and such safety services employee shall have no further recall rights.

i. Any safety services employee who is recalled shall regain all employment benefits to which he/she was entitled at the time of layoff. However, no benefits may be accrued during the period of unemployment and the safety services employee shall be subject to all changes in employment conditions which have been made in the interim.

j. In lieu of a reduction in force, the Superintendent may determine, in his/her discretion, that there is a need to furlough safety services employees for a specified period not to exceed ninety (90) days. If so, the measures set forth in paragraph 2 above will govern the selection of employees for furlough, and the measures set forth in paragraphs 3, 4, 5, 6, 7, 8 and 9 will apply to employees who have been furloughed. If necessary, the Superintendent may determine in his/her discretion that it is necessary to eliminate the positions of and lay off employees who have been furloughed.

k. Employees on furloughed status shall retain vacation and/or temporary leave balances, and longevity status, accrued as of the date on which the employee is furloughed; however, no additional vacation and/or temporary leave, or longevity, will accrue during the furlough period. Furloughed employees are eligible to retain health and dental coverage in place as of the date they are furloughed, subject to the terms and conditions of the applicable plan(s). Furloughed employees remain responsible for their share of the cost of their coverage, with payment of the employee's share due at the same time as it would be made if by payroll deduction, or by an alternate payment schedule approved by Employee Benefits.

ARTICLE XVIII: GRIEVANCE PROCEDURE

A. Purpose and Definitions

1. The purpose of this grievance procedure shall be to resolve good faith differences of opinion regarding the interpretation or application of this agreement.

2. Grievance: any alleged violation or misapplication of this agreement.

3. Grievant: an Employee who has filed a grievance or, in the case of a group grievance, the Union.

B. Time Limitations

1. The time limitations specified at each level may be extended by mutual agreement between the grievant or his/her representative and the Superintendent or designee.

2. When the term "days" is used herein, unless otherwise specified, it shall mean contract days during the school year and calendar days between school years.

C. Informal Level

1. Prior to filing a grievance in writing and within fourteen (14) days after the occurrence of the event upon which it is based, the grievant and his/her representative, if any, shall attempt to resolve the matter informally by requesting a meeting with the immediate supervisor. Such a meeting shall be held within seven (7) days after the request is made.

2. Lack of adherence to informal level remedy shall retain grievance status.

D. Level One

1. If the matter is not resolved informally to the satisfaction of the grievant, the grievance must be filed in writing with the grievant's immediate supervisor within seven (7) days after the first informal meeting and a copy of such grievance shall be forwarded to the Union President or designee and the Superintendent or designee.

2. Within seven (7) days after receiving the Level One grievance, the immediate supervisor may, at his/her option, hold a discussion meeting with the grievant and his/her representative, if any. Within seven (7) days after the discussion meeting, if one is held, or within seven (7) days after the grievance is filed in writing, the immediate supervisor shall make a decision in writing, together with the supporting reasons. Copies shall be forwarded to the grievant, the grievant's representative, if any, the Union President or designee and the Superintendent or designee.

3. (a) The Union, as an alternative to the informal level and to an Employee(s) filing a Level One grievance, may file with the Superintendent an alternative Level One grievance in circumstances where the otherwise grievant(s) has a genuine concern that the filing of a

grievance might result in retaliation being taken by the grievant's immediate supervisor. The President of Union shall verify to the Superintendent that the person who would otherwise file the grievance has a genuine concern that the filing of a grievance might result in retaliation being taken by the otherwise grievant's immediate supervisor. It is understood by the Union that the Board does not tolerate retaliation by supervisors against persons who file grievances, and the Union agrees that it will cooperate with the Superintendent regarding the addressing and eliminating of situations where retaliation may be occurring.

(b) Upon the filing of an alternative Level One grievance, the Union shall file a written statement that sets out the alleged violation or misapplication of this Agreement. If the matter is not informally resolved between the Superintendent and the Union to the satisfaction of the person(s) who would otherwise have filed the grievance within ten (10) days after the grievance is filed, then the Superintendent and President shall meet at their mutual earliest convenience. Upon such meeting the Superintendent and President shall select a neutral person as a hearing officer to serve on a panel with the Union President and the Superintendent to decide whether there was a violation or misapplication of this agreement. The decision of the panel shall be final.

E. Level Two

1. Within seven (7) days after receiving the decision at Level One, the grievant may appeal the decision in writing to the Superintendent. The grievant shall forward copies to the immediate supervisor, the grievant's representative, if any, the Union President or designee and the Superintendent or designee.

2. Within fourteen (14) days after receipt of the written appeal or a grievance filed at Level Two, the Superintendent or designee will meet with the grievant and/or representative of the Union and all parties of interest in an effort to resolve the grievance.

3. Within fourteen (14) days after the meeting specified in Paragraph 2 above, the Superintendent or designee shall make a decision in writing. Copies shall be forwarded to the grievant, the immediate supervisor, the grievant's representative if any, the Union President or designee and the Superintendent or designee.

F. Level Three (Termination Grievances Only)

1. Within twenty (20) days after receiving the decision at Level Two, the grievant may appeal the decision of the Superintendent or designee to a hearing officer. The grievant shall forward copies of the request for a hearing officer to the grievant's representative, if any, the Union President or designee and the Superintendent or designee.

2. Within ten (10) days after the receipt of the request for a hearing officer, the parties shall jointly submit an open records request to the chief legal counsel for the Kansas State Department of Education for the list of hearing officers compiled by the Commissioner of Education as required by K.S.A. 72-5438(f) and amendments thereto. If the list exceeds five (5) names, the first five (5) names on the list will be the panel from which the

hearing officer will ultimately be chosen. Any list provided after the first requested list that exceeds five (5) names will be chosen on a rotational basis, e.g., if there are eight names on the second list, then the sixth, seventh, eighth, first and second names on the list will serve as the panel from which the hearing officer will be chosen. After the panel has been selected, the right to first strike a name shall be determined by the flip of a coin. The parties shall then alternately strike names from this list until one name remains. The person whose name remains shall be the hearing officer. The hearing officer will be notified of his/her selection by a joint letter from the petitioner and the District, requesting that he/she set a time and place for the hearing subject to the availability of the parties, and the letter shall specify by stipulation the issue to be determined by the hearing officer.

3. The hearing officer will generally consider the following guidelines, as appropriate, in making a determination as to whether there is just cause to terminate.

   (a) Was the employee, if appropriate, warned of the consequences of his or her conduct? The warning may be given orally or in writing. There are exceptions for certain conduct, such as, but not limited to, coming to work under the influence of alcohol and/or drugs, falsification documents including electronic documents, stealing District property, and behavior that threatens the health or safety of students, District employees or members of the public.

   (b) If the termination involves not following a rule or an order, was the employer's rule or order reasonably related to efficient and safe operations? Was the rule or order communicated?

   (c) Did the employer investigate before administering discipline, i.e., did the investigation include interviews of key witnesses and review of necessary documents, including those witnesses and documents suggested by both the employee and the District?

   (d) Can the District meet its burden of proof by a preponderance of the evidence?

   (e) Were rules, orders and discipline applied consistently and without discrimination?

   (f) Did the employer use progressive discipline, if appropriate?

   (g) Did the District, if appropriate, take into account the employee's length of service and past record, except conduct described in (a) above?

4. The hearing officer shall have no right to add to, subtract from, nullify, ignore or modify any of the terms of this agreement. The hearing officer shall consider and decide only the stipulated issue presented to the hearing officer in writing by the district and the grievant, and the hearing officer's decision and award shall be based solely on the hearing officer's interpretation of the application of the terms of the agreement to the issue stipulated. If the parties were unable to stipulate the issue, the hearing officer shall first determine the

issue to be decided as presented by one party or the other without alteration. If the matter presented to the hearing officer does not involve interpretation of the terms or provisions of this agreement, the hearing officer shall so rule in his/her award and shall make no other decision on the issue. The hearing officer shall render no award under this agreement which shall be retroactive beyond the date of the event on which the grievance is based. The award of the hearing officer shall be final and binding upon the Board, the Union, and the grievant involved.

5. The hearing officer so selected shall fix the time and place for the hearing and notify the parties thereof. In any disciplinary grievance, the hearing officer shall have no authority to alter or amend any discipline imposed by the district if the hearing officer finds either that the district's actions did not violate the agreement, or that there was just cause for the action.

6. No hearing officer decision made hereunder shall constitute a binding precedent with respect to any renewal of the existing agreement or the making of a new agreement between the Union and the Board. The force and effect of hearing officer decisions shall expire when the agreement expires unless the language involved is substantially the same in the expired agreement and the new agreement.

7. No decision of the hearing officer in any one case shall create a basis for retroactive adjustment in any other case which arose prior to the date of the written decision of the panel, unless the Union and the district mutually agree otherwise in writing.

8. The fees and expenses of the hearing officer shall be borne equally by both parties. Each party shall be responsible for its own hearing expenses. The party producing any witnesses shall pay the expenses of said witness, if any. Upon request of either party, an official court reporter shall record the proceedings, and the party making such request shall pay the cost of the reporter. If the other party requests a copy of the proceeding, that party shall share equally the costs of the reporter.

G. Board Review (All Grievances other than Termination)

1. Should the decision (relating to grievances other than termination grievances as outlined in Item F above) of the administrative review be unsatisfactory to the grievant, within ten (10) regular workdays of the rendering of the decision, the grievant may make a written request for appeal to the Board. The grievant shall file a request for appeal with the Chief Human Resources Officer and/or designee.

2. The Chief Human Resources Officer and/or designee will set a hearing date with a committee of the Board not fewer than ten (10) regular workdays or more than forty (40) regular work days after such an appeal is filed with the Chief Human Resources Officer and/or designee and the grievant will be informed in writing of the time, date, and place of the hearing at least five (5) regular work days prior to the hearing.

3. The grievant may be represented by an authorized representative of the Union, himself/herself, legal counsel, or any other person selected by the grievant. The grievant may also have witnesses appear at the hearing. The Chief Human Resources Officer and/or designee shall be informed in writing five (5) days prior to the hearing with the Board of the grievant's representatives and all witnesses to be present during the hearing.

4. The Board of Education, or a committee thereof, shall conduct the hearing in executive session unless the employee requests an open hearing.

5. The grievant will be given a written decision of the Board within thirty (30) regular work days following the conclusion of the hearing.

6. The final decision lies with the Board of Education, except that the employee shall have other remedies or appeals as are provided by the federal or state constitutions or by law.

H. Legal or Statutory Remedy

If the grievant pursues any legal or statutory remedy for an issue, then any further or subsequent proceedings for relief through the grievance procedure shall be barred unless the court or administrative agency refuses jurisdiction until all administrative remedies have been exhausted.

I. Reprisal/Discrimination

No employee shall be subject to any reprisal or discrimination by reason of the exercise of his/her rights under this Grievance Procedure or any appeal provisions set forth herein.

Employees who have been in deduct status previously within the prior five (5) years of employment will move to the progressive disciplinary actions for attendance when they have a temporary leave balance under forty (40) hours.

3. A deduct absence that shall be considered as exempt from the rubric must be approved by the CHRO.

P4049 FRATERNIZATION AND PROFESSIONAL BOUNDARIES

Wichita Public Schools is committed to equal employment opportunities and to maintaining a workplace and educational environment that is free of coercion, sexual harassment, abuse of authority or power, favoritism, exploitation, relational impropriety, conflicts of interest, and other improper conduct. Employees shall maintain professional and appropriate relationships with students and with one another. Intimate relationships that involve supervisory authority or influence, and intimate or otherwise inappropriate relationships between staff and students, undermine these commitments and are subject to this policy.

Any violation of this policy by an employee of Wichita Public Schools shall result in disciplinary consequences, up to and including termination. Where appropriate, violations of this policy shall be reported to law enforcement and/or the Kansas State Department of Education.

ADMINISTRATIVE IMPLEMENTAL PROCEDURES

1. Scope and Relationship to Other Policies.

(A) This policy applies to all conduct, at all times, regardless of location or medium of communication. Conduct may violate this policy regardless of whether it also violates another policy or constitutes criminal conduct. This policy does not displace or supersede any other applicable policy addressing the same subject matter. If another, specific policy (e.g., Title IX) prescribes a complaint or investigation procedure, that procedure shall control the processing of the allegation. This policy shall not be construed to alter or override provisions of any collective bargaining agreement or administrator employee contract.

2. Intimate Relationships Between Employees.

(A) An employee shall not exercise direct or indirect supervisory authority, evaluative authority, disciplinary authority, or material influence over the hiring, assignment, compensation, advancement, evaluation, discipline, or working conditions of another employee with whom the employee has an Intimate Relationship. As used herein, “Intimate Relationship” means any relationship or interaction that reasonably may be described as sexual, romantic, amorous, dating, or non-platonic. Physical contact is not required, and an Intimate Relationship may be established by a single interaction or a pattern of conduct.

(B) Any employee who is in or enters an Intimate Relationship that creates or reasonably may create such authority, influence, favoritism, or a conflict of interest shall promptly disclose the relationship to the Chief Human Resources Officer or designee.

(C) When an Intimate Relationship is disclosed or otherwise determined to exist, Human Resources shall take reasonable measures to eliminate supervisory authority, undue influence,

favoritism, and conflicts of interest. P4011 may be applied when appropriate; this policy does not alter P4011's definition of Family Member.

3. Intimate Relationships Between Staff and Students.

(A) Staff shall not solicit, encourage, initiate, pursue, maintain, or engage in an Intimate Relationship with any current District student. This proscription is unconditional and without exception, regardless of the student's consent or the consent of the student's guardian(s).

(B) Staff shall not cultivate or defer an Intimate Relationship until after a student leaves the District. A relationship with a former student is prohibited if the relationship was initiated, encouraged, cultivated, or maintained while the individual was a student, or if it exploits a position of trust, authority, or influence arising from the staff member's District role.

(C) An employee who is uncertain whether circumstances involving a former student create a professional-boundary concern shall consult Human Resources before pursuing the relationship.

4. Professional Boundaries With Students.

(A) Staff shall maintain clear, reasonable, and professional boundaries with students and their families at all times.

(B) All interactions between staff and students must be connected to legitimate District objectives within the scope of the staff member's role at the District; be appropriate to the student's age and circumstances; and must not create the appearance of impropriety.

(C) Behavior that violates professional boundaries includes: (a) sexual, romantic, amorous, dating, or intimate conduct or communications; (b) secretive, personal, peer-like, or emotionally dependent relationships; (c) favoritism, repeated special privileges, or gifts unrelated to a legitimate school purpose; (d) unnecessary one-on-one encounters, off-campus meetings, or private transportation; (e) sharing or requesting intimate or personal information; (f) physical contact that is sexual, intimate, coercive, excessive, or otherwise inappropriate; (g) communications that are personal, sexual, harassing, demeaning, or unrelated to legitimate District purposes; (h) asking a student to conceal an interaction or communication; (i) using a student as the staff member's confidant; or (j) failing to notify administration when the staff member knows or reasonably should know that a student may be developing romantic, intimate, or otherwise inappropriate feelings toward the staff member.

(D) The existence of an otherwise appropriate educational, family, community, or preexisting relationship does not excuse conduct that otherwise violates this policy. When dual or multiple relationships are unavoidable, the staff member is responsible for maintaining clear professional boundaries and consulting administration when necessary.

5. Electronic Communications and Social Media.

(A) Staff communications with students must comply with P1230, P1233, the District's Guidelines for Maintaining Professional Boundaries, and all other applicable policies and other requirements.

(B) No District employee shall privately or directly communicate with a student through a Social Media Platform except as expressly permitted by P1233. Employees are strongly discouraged from "friending," following, or otherwise connecting with students through personal social-media accounts.

(C) Electronic communication with students through a District-approved platform must be limited to legitimate educational, extracurricular, student-support, safety, or other assigned District purposes. Staff shall not move a student communication from an approved and monitorable platform to a personal, secret, transitory, or unauthorized channel. For the protection of staff and students, student communication must occur, whenever possible, through approved District channels and platforms

6. Reporting Duties.

(A) Any employee who observes, receives a report of, or reasonably suspects conduct that may violate this policy shall promptly report the concern to a building principal or other administrator and to Human Resources or the Title IX Coordinator, as appropriate. If the person accused is the ordinary recipient of the report, the report shall be made to that person's supervisor, Human Resources, the Title IX Coordinator, or the Superintendent. Complaints against the Superintendent shall be directed to the Board of Education President or another Board member.

(B) An employee who suspects child abuse or neglect shall independently and immediately make the report required by P5117 and Kansas law. Reporting to a supervisor, administrator, Human Resources, or the Title IX Coordinator does not replace or delay that duty. If there is an immediate threat to safety, the employee shall contact emergency services and District Safety Services as appropriate.

(C) Employees shall not promise confidentiality, conduct an independent investigation, confront the person accused, or take action that may compromise student safety, evidence, or an official investigation. Employees may ask only the minimal questions reasonably necessary to identify the nature of the concern and make the required report.

7. Response, Investigation, and Interim Measures.

(A) The District shall respond promptly and route each report to the administrator or office responsible under applicable policy. Reports that may constitute Title IX sexual harassment shall be referred to the Title IX Coordinator and processed under P1117. Conduct that does not satisfy the definition of Title IX sexual harassment may still violate this policy or another District policy and may be investigated and addressed accordingly.

(B) The District may impose reasonable non-disciplinary interim measures to protect students, employees, the integrity of an investigation, and the educational or work environment. Such measures may include changes in supervision, schedule, duties, location, communication, access, or reporting relationships. Interim measures are not a determination of responsibility or discipline.

8. Non-Retaliation and Cooperation.

(A) The District prohibits retaliation, intimidation, harassment, discrimination, coercion, interference, or other adverse action against a person who in good faith makes a report, assists another person in making a report, participates in an investigation or proceeding, or attempts to prevent conduct prohibited by this policy.

(B) Employees shall cooperate truthfully with District investigations and preserve relevant records and communications. A report is not made in bad faith merely because it is unsubstantiated. Knowingly making a false report or knowingly providing materially false information may result in discipline.

9. Questions.

Employees with questions concerning this policy, a potential conflict, or appropriate professional boundaries shall contact their immediate supervisor, Human Resources, or the Title IX Coordinator. Seeking advice does not excuse a failure to make a time-sensitive report required by P5117 or another policy.

Administrative Responsibility: Human Resources

Proposed Revision: September 2026
