Ice Breaker

In the chat...

- Describe your Monday using one word.
- What is one thing you appreciate about our school community?

What is SAC?

- SAC = School Advisory Council
- Each school in Florida must have one
- Principal plus a demographically representative body of school and community stakeholders
- The purpose of a SAC is to look at how our school is doing and help plan for ways we can keep improving.

Principal Schottler

State of Thurgood Marshall Fundamental Middle School

At the start of our monthly SAC meeting, Principal Schottler will provide general updates regarding School Improvement Efforts and upcoming events.

schottlerk@pcsb.org

Updates

- Introduction of SAC Board President, Myrtice Landers
- FAST Testing
- PSAT
- Vacancies (0)
- Events
- Food Pantry
- Volunteer Opportunities

The RENEWAL LAB

THURGOOD MARSHALL FUNDAMENTAL

Center for Gifted Studies

VISION: 100% of students making academic and social growth each year.

1.ENGAGE IN DATA-DRIVEN INSTRUCTIONAL PRACTICES

- **Progress Monitoring:** Conduct Supreme Data Chats with teachers to drive instructional adjustments based on student readiness data, and empower scholars to own their progress, and keep families informed, through bi-weekly Focus Messenger alerts.
- **Targeted Implementation:** Deliver personalized interventions, and monitor through MTSS, for scholars not yet proficient in all core subjects.
- **Structured Professional Learning Communities (PLCs):** Systematically support curriculum alignment, through inquiry-based learning opportunities, data from routine assessments, and methods to provide timely feedback.
- **Math Instructional Supports:** Effective monitoring to take action is in place for all students during core instruction in order to provide intervention or enrichment opportunities.

2. STUDENT READINESS

- **Strategic Teaming:** Support 6th grade transition to middle school through a streamlined process of teacher advocacy and community building.
- **Innovative Instructional Delivery:** Implement engaging, standards-aligned instruction that promotes real-world, project-based learning, schoolwide AVID strategies, and rigorous academic discourse in both speaking and writing.

3. CLIMATE AND CULTURE

- **Student Experience:** Increase immersive learning experiences through relevant educational opportunities.
- **Positive Behavior Incentive System:** Foster consistency of recognizing and reinforcing appropriate student behaviors through PBIS incentives and the Student and Staff of the Month Character Trait Program.
- **Bridging the Gap:** Analyze discipline data to identify trends and implement supports that promote positive behavior and equitable outcomes.

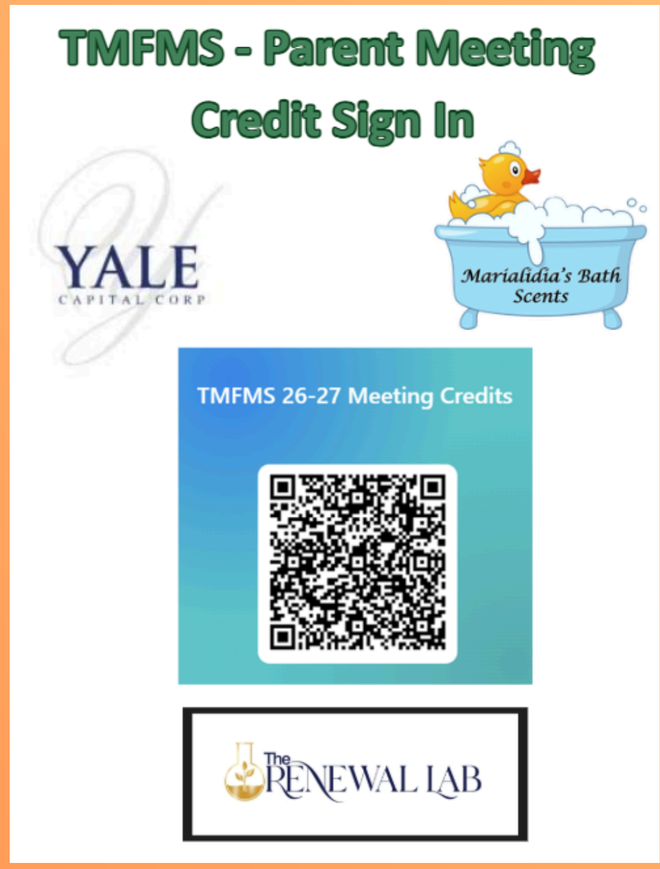

26-27 Goals

Math 65->70	SCI 66->71	SS 86->91	Accel 88->94	ELA 73-> 78
Math LG 70				ELA LG 70

School Improvement Plan

Areas of Focus

1. Engage in data-driven instructional practices
2. Student readiness
3. Climate and culture

School Improvement

BRAP

26-27 Goals

ELA	Math	Science	Civics	Accel.
78%	70%	71%	91%	94%
PY/PM3 72%	PY/PM3 65%	PY/SSA 66%	PY/EOC 85%	PY/EOC 88%
PM1 66%	PM1	SSA	EOC	EOC

Learning Lab

What is it?

“The Learning Lab is a problem-solving taskforce aimed to design systems, structures, and processes that are equitable, engaging, adaptive, and thus effective in ensuring every student can participate in and thrive through a high-quality educational experience.”

Dr. Aydin Bal

Group Agreements

Start and end meetings on time

Keep conversations and names confidential

Share floor time; keep voices balanced

Avoid educational jargon

Ask and receive questions with openness

Focus converastions on problem solving

Data Review
