CookChildren's

Sick in class? Get treatment fast!

Your child's visit to the school nurse's office shouldn't cost you a day of work. With Cook Children's Virtual Health, we bring our expert care straight to your child when they need it.

Register today at schooltelemed.org

Trusted care, peace of mind

We know that kids learn best when they're in class. That's why we've partnered with your child's school to bring our care to students right away. Your school's nurse can connect virtually with our providers and use specialized equipment to assess your child's heart, lungs, ears, throat and more.

We treat:

- Earaches
- Fevers
- Coughs and colds
- Rashes
- Minor skin infections
- Abrasions/cuts/scrapes
- Sore throats
- Flu-like symptoms
- Pink eye

Join the virtual visit. Log into our secure website.

Receive a doctor's note. We can provide one and fax it to your school.

Fill your prescription. We can send your medicines to the pharmacy of your choice.

Get a visit summary. We'll share information with your child's primary care provider.
