High School & Beyond Plan

Log In Instructions

Schoolinks is a program that is now used in the entire state of Washington. All 7-12 grade students have annual "tasks" to complete before the end of the school year.

Each task has due dates that are set by the platform. Ignore the due dates. Ideally, if you complete your tasks by 5/1, before family checkout, you've done your job! You can even work ahead and complete your task well before May.

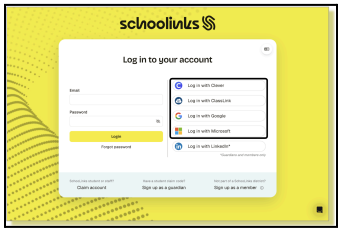

---

1. You can log into school links **via Canvas**. Simply accept the Schoolinks course from the banner in Canvas and begin the log in process there. If you don't see the banner, click on this link and enroll in the course: https://svec.instructure.com/enroll/3PYJ6G . Click on your grade level and follow the instructions.

   OR You can also log in using **https://app.schoolinks.com/login/k12**

   If prompted, "accept" all preferences, "open/view" the privacy statement and then "accept" it.

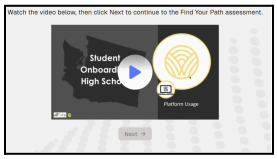

2. Choose **"Log in with Google"** and log in with your MSD Email account and password →

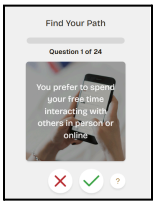

3. Choose **"Get started"** →

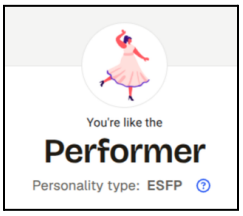

4. Watch the 5 minute instructional video and click, **"NEXT"** →

5. **Complete your onboarding questions to reveal your personality type** →

→

6. Now you have reached your **DASHBOARD!** This is where you'll complete your annual tasks. **Don't fret! Future logins jump right to your dashboard.**
