SUBJECT: **SUPERINTENDENT'S RECOMMENDATIONS FOR 2027-2028 SCHOOL ATTENDANCE AREA BOUNDARIES AND SCHOOL USAGE**

Based upon staff's review of boundary considerations, community input, deliberation by the School Boundary Advisory Committee, and School Board discussion at the November 4, 2026, School Board Workshop, it is my recommendation to proceed with adopting the following nine changes that will result in the consolidation of 10 schools:

1. Consolidate Banyan Elementary School into Discovery Elementary School and Village Elementary School. The Banyan Elementary School campus will be transitioned to another use;

2. Consolidate Coral Springs Elementary School into Parkside Elementary School. The Coral Springs Elementary School campus will be transitioned to another use;

3. Consolidate Lloyd Estates Elementary School into North Andrews Gardens Elementary School and Oakland Park Elementary School. The Lloyd Estates Elementary School campus will be transitioned to another use;

4. Consolidate Oakridge Elementary School into Colbert Elementary School. The Oakridge Elementary School campus will be transitioned to another use;

5. Consolidate Dolphin Bay Elementary School and Silver Lakes Elementary School into Glades Middle School and reconfigure Glades Middle School as a Kindergarten through 8th grade school. The Dolphin Bay Elementary School and Silver Lakes Elementary School campuses will be transitioned to other uses;

6. Consolidate Sheridan Park Elementary School into Boulevard Heights Elementary School, Driftwood Elementary School, and Hollywood Park Elementary School. The Sheridan Park Elementary School campus will be transitioned to another use;

7. Consolidate Forest Glen Middle School into Coral Springs Middle School. The Forest Glen Middle School campus will be transitioned to another use;

8. Consolidate Walter C. Young Middle School into Charles W. Flanagan High School and reconfigure Charles W. Flanagan High School as a 6th through 12th grade school. Terminate the lease for the Walter C. Young Middle School campus with the City of Pembroke Pines and turn the site over to the city.

9. Consolidate William Dandy Middle School into Parkway Middle School. Pursuant to Rule 6A-1.0998271, Florida Administrative Code, KIPP Miami submitted a School of Hope Building Notice on November 11, 2025, to co-locate a School of Hope at the William Dandy Middle School Campus opening in the 2027-2028 school year. The Board approved the Performance-Based Agreement on June 9, 2026. The Mutual Management and Shared Facilities Plans will be presented for Board approval in November 2026.

It is my recommendation that all other school attendance area boundaries and school usage remain the same in the 2027-2028 school year as they are in the 2026-2027 school year, or follow previously adopted grade phase-ins.

Final Rule-Making on school attendance area boundaries and school usage recommendations will be held at the Regular School Board Meeting on December 15, 2026.
