II. Approval of July 15, 2026 minutes. Motion by Paul Omichinski, 2nd by Matt Szydlo. All in favor.

III. Business meeting:

a. Rich reviewed the work that was completed over the summer. Additional cameras were installed in all buildings, which completed the work from the security grant. Plowing was secured for Lake Garda School. Painting was completed at all schools. Some ceilings were replaced in classrooms at HCS. New signs were installed at LSM/HB. The oil tank replacement at HCS. LGS and HCS began their furniture replacement.

Rich also updated the committee on a water leak that is being detected at LGS. It is not in the building and there are no visible signs of the leak. But the meter readings are detecting high usage. He is continuing to research this and will keep the committee updated.

b. The donation request from the HCS PTO was reviewed. It is a mural through Kind Works. The project promotes themes of kindness, connection, inclusion, creativity and community. Students help to create the individual pieces that come together to form a mural. The design will be a Husky paw print. It is 6'X6' to be placed under the Harwinton Consolidated School sign on the front of the building. A couple of follow up questions were asked by the members: what happens if pieces fall off? Are we given extra pieces to replace them. How is it installed, laid directly on the brick or can a backer be used? A motion by Scott Ragaglia and 2nd by Paul Omichinski to move the donation to the full board for approval.

IV. Adjourn

The meeting adjourned at 5:45 p.m.
