2027-2028 Withdrawal Policy

Student Withdrawal and Tuition Responsibility Policy

Families who withdraw a student for the upcoming or current academic year will remain financially responsible for a portion of the annual tuition. The amount owed will be determined by the date the completed withdrawal form is received by the School Counseling Office according to the following schedule:

Withdrawal Form Received	Tuition Responsibility
June 1-August 31	25% of annual tuition
September 1-October 31	50% of annual tuition
November 1-December 31	75% of annual tuition
January 1 and thereafter	100% of annual tuition

The family's financial obligation will be calculated by applying the applicable percentage to the student's annual tuition, less any tuition payments received from the family and Step Up for Students scholarship funds received and retained by the school. Any remaining balance will be due to the school.

Please note that a student's withdrawal may impact the amount of scholarship funding received from Step Up for Students. Any scholarship funds that are reduced or not received as a result of the withdrawal become the financial responsibility of the family up to the applicable tuition obligation established by the withdrawal schedule.

Student transcripts will not be released until all financial obligations are met and all school property is returned to the school.

Withdrawal Process

Parents must complete a withdrawal form and an exit interview with the principal in order to withdraw from Bishop John J. Snyder High School.
