Get Wise with Las Brisas School

Willing Attitude- Innovation- Self-Control - Empathy

We use **high-impact instructional strategies and Depth and Complexity in every classroom** to help every student think critically, explore new perspectives, and become confident, real-world problem solvers.

"A" Rated by the Arizona Department of Education 8 times since 2018.

All Things EQ: A character education program that teaches students the academic and social skills needed to do well in school, both academically and socially.

Gifted Academy for PreK-6th grade, where students engage in our enriching Renaissance and Bright Beginnings programs. All students attending the academy, regardless of gifted identification, will benefit from gifted instruction from gifted-trained teachers daily.

Free, Full-Day Kindergarten Program

All-Star Club's daily activities include: Scholastic Reading, CATCH-Physical and Nutrition, Homework Study, Arts and Crafts, Computer Time, Board Games, Manipulatives and Inside/Outside Activities (weather permitting).

Certified, highly qualified teachers with ongoing professional development in every classroom with small class sizes for more personalized attention.

Our Global Studies enrichment course empowers young learners to think critically, solve real-world problems, and bring creative solutions to both local and global challenges.
