**Guidelines on ICSP Lunch fee payment & refund

*In order to ensure every student has money in their account to purchase lunch each day, and to reduce extensive labor for the ICSP staff in managing the meal program, parents will be required to pay in advance for the full year of lunches. Whatever remains in the balance at the end of the year will be carried over to the following school year.
-Payment rate for late-entry students:

August to September	Pay 100% of yearly payment	February to March	Pay 40% of yearly payment
October to November	Pay 80% of yearly payment	April to May	Pay 20% of yearly payment
December to January	Pay 60% of yearly payment		

-Refunds will be made only if a student transfers out.
-Parents will be responsible for ordering and cancelling their students' meals. The school will not track day to day ordering and will not refund any missing meal; this will be the responsibility of the parent: (Parents can login to the program and change the ordering status until midnight of the previous day.)
-If a student forgets to order a meal but wants to eat, they may wait until all the students who ordered lunch have received their meals and then order a meal if it is available.
