Syllabus for Home Health Aide 1

Instructor: Ms. Renee Goodluck	**Room Number: CTE 2-3**	**Office Hours: 8:15am-3:15pm**
Classroom Telephone Extension: 4246	**Email: reneegoodluck@sandersusd.net**	

Course Description:

The Home Health Aide program prepares individuals to provide routine care and support services for homebound disabled, recovering, or elderly people. This program includes instruction in basic nutrition, home sanitation, infection control, first aid, taking vital signs, personal hygiene, interpersonal communication skills, supervised home management, emergency recognition and referral, geriatric care, and legal and ethical responsibilities.

The Home Health Aide program is designed and delivered as a coherent sequence of school-based and work-based supervised learning. The Professional Skills developed by business and industry leaders across Arizona are integrated throughout the program. The Home Health Aide students develop leadership, social, civic, and career skills through participation in the Career and Technical Student Organization HOSA (Future Health Professionals).

The Home Health Aide instructional program prepares students for entry-level employment, further training, and/or post-secondary education for these and other occupations: Home Health Aide, Direct Care Giver, Caregiver, Patient Care Tech, Personal Care Assistant, and Direct Support Professional

Course Goals:

1. Maintain increase enrollment
2. Motivate career/college preparation
3. Develop and maintain work based ethics
4. Complete all aligned programs with ADE Standards.
5. Further seek out professional development and education.
6. Provide contest to encourage competition and excellence

Instructional Outcomes:

Students will be able to demonstrate the following:

1. Examine Roles and responsibilities of the home health care agency
2. Demonstrate ethical and legal conduct in all activities
3. Utilize observation, reporting, and documentation skills.
4. Demonstrate personal care with consideration to personal preferences
5. Apply standard precautions and infection control measures

Ect.

(Student Learning Outcomes describe achievement expected in the course expressed in measurable and specific terms. Use verbs such as write, identify, Course Name, Number, Semester and Year summarize, describe, etc. Outcomes are achieved results of the goals. When creating methods for student evaluation and grades, be sure the evaluation methods align with the Student Learning Outcomes.)
