GREAT Shoutouts!

💗 **Fort Howard Families—Let's Celebrate!** 💪

This week, our students and staff were caught in the act of showing **GREATness**:

- Ayden has been working really hard on reading with fluency. He is using his reading strategies to help him decode words and then goes back and reads the sentence fluently. Keep up the great work Ayden!
- Kylah and Le'Clair have been working hard on their Lexia. They are reaching their goals in 2 days because they are staying focused and working hard. They are also completing their folder work and giving their best effort when doing so. Keep working hard!

- Dennis and Cecilia have recently been struggling with sigh words on Lexia. They learned a strategy to help with this and are now independently using the strategy on their own. They are also recognizing these sight words in their reading. Keep up the great work!
- Jaleeyah and JaNellie have been working hard with Ms. Sarah on word families which is helping build their reading skills. They recently were able to recognize several words that had at in them which has been transferring into their writing. Keep up the great work!
- Qwyn and Jazariel did an amazing job playing a math game where they had a to roll the dice and double the number. They encouraged each other and if they lost they congratulated the other person. They were demonstrating great teamwork skills. Keep up the great work!
- Armani has been demonstrating respect for his classmates and our classroom. He helps his classmates with cleaning up and putting things away. He is always making sure our classroom is clean by putting things away and cleaning up the floor. Thank you Armani for being so respectful!

💗 **Way to go, Fort Howard students! Keep up the GREAT work!**

Fall Family Engagement Survey

The Green Bay Area Public School District is inviting all parents and caregivers to participate in the second annual Family Engagement Survey. If you are a District parent, please take this survey **before November 13, 2026**. Teachers and staff, please encourage your families to participate. The more families who participate, the more valuable and representative the feedback.
