About Us

CRY-ROP prepares students for high-demand careers by providing exceptional Career Technical Education (CTE) programs influenced by business and industry.

WHAT WE DO

For 55 years, CRY-ROP has partnered with local school districts to provide career technical education (CTE) courses that align with students' skills and interests. These two-year pathways, offered during the school day, give students industry training, certifications, and opportunities to earn college credit—preparing them to be college and career ready upon graduation.

WHY CTE?

- CTE prepares students for college AND career
- CTE is NOT only for students who don't plan to go to college
- CTE inspires students with different career possibilities and options
- CTE offers purpose, relevancy and connects learning to the real world
- CTE students are equipped with employability skills

Additional Opportunities

- INDUSTRY CERTIFICATIONS
- SCHOLARSHIPS
- WORK-BASED LEARNING
- COLLEGE CREDIT
- ADULT PROGRAMS
- CAREER CENTER SUPPORT
- COLLEGE & CAREER PLANNING

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Agriculture and Natural Resources

Veterinary Assistant 1

Pre-Requisite: Biology or Zoology (Recommended)

Description: This introduction to veterinary assistant course is designed to provide students a comprehensive knowledge of veterinary science and basic animal care. Activities in this course include hands on clinical experience and work-based learning that connects students to industry and the local community.

Veterinary Assistant 2

Pre-Requisite: Veterinary Assistant 1

Description: The Veterinary Assistant 2 course is designed to build on the knowledge of anatomy, physiology and diseases obtained in the Veterinary Assistant 1 course and to prepare students for an entry-level position in the veterinary field and post-secondary education in animal science. Activities in this course include extensive hands-on clinical experience in a classroom setting and professional animal care facility (optional).

Arts, Media, and Entertainment

Art of Animation 1

Pre-Requisite: None

Description: This program introduces students to animation through theory and hands-on training in art fundamentals, drawing, cartooning, and animation basics. It also includes an introduction to computer graphics imaging. Students will study art theory, composition, color, spatial concepts, and rendering, using creativity and imagination to convey ideas and tell a story.

Art of Animation 2

Pre-Requisite: Art of Animation 1

Description: Art of Animation 2 is an all-inclusive animation production experience allowing students to gain more in-depth exposure of the animation process through the production of an animated film. Students will increase their animation skills and collaborate to produce short stories, storyboards, audio tracks, special effects, and character and background animations.

Digital Video Production 1

Pre-Requisite: None

Description: This comprehensive program introduces students to the exploration of the world of digital video and film production. Students will learn the history and development of film, in addition to hands-on training to produce their own films/videos.

Digital Video Production 2

Pre-Requisite: Digital Video Production 1

Description: Digital Video Production 2 is a yearlong capstone course that applies the fundamental knowledge and skills in Digital Video Production 1. Students will collaborate to write, storyboard, shoot original video content, and edit projects using industry standard software.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Arts, Media, and Entertainment - contin.

Graphic Design 1

Pre-Requisite: None

Description: This one-year introductory graphic design course combines graphic design theory with hands-on projects to equip students with basic professional graphic design skills and prepare students for an entry-level position and post-secondary education in design, visual, and media arts.

Graphic Design 2

Pre-Requisite: Graphic Design 1

Description: Graphic Design 2 - Honors will build on the fundamental principles and elements of visual communication acquired in Graphic Design 1 including the historical development of design through exploring graphic art history.

Building and Construction Trades

Construction Technology 1

Pre-Requisite: None

Description: Construction Technology 1 provides an overview of the construction industry and introduces students to accurate measurements, construction tools, technical drawings and green technology. Emphasis is placed on the safe use of hand and power tools and the proper selection of materials to create a project.

Construction Technology 2

Pre-Requisite: Construction Technology 1

Description: This capstone course in the Residential and Commercial Construction pathway is designed to provide students with technical knowledge and practical shop experience for an entry level job in the building industry. Students will practice and master framing and roofing techniques, site preparation, blueprinting, measurements, and construction site safety.

Education, Child Development, and Family Services

Careers in Child Development 1

Pre-Requisite: CC/CTE Participants (Negative TB Test and Fingerprint Clearance, Age 18+)

Description: Careers in Child Development provides students with specific training for occupations such as a pre-school teacher, infant teacher, before and after school care teacher, family day care provider, foster care parent, teacher aide, camp counselor and recreation aide.

Careers in Child Development 2

Pre-Requisite: Careers in Child Development 1

Description: Careers in Child Development 2 is a capstone course in the Child Development pathway and designed to provide theoretical knowledge and technical skills in the development, teaching, guidance, and evaluation of children.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA REGIONAL OCCUPATIONAL PROGRAM

Education, Child Development, and Family Services - contin.

American Sign Language 1

Pre-Requisite: Complete function of at least one hand and completion of ASL 1 with C or better

Description: American Sign Language (ASL) skills are important in all customer service-related occupations, and the demand for interpreters is growing. This class provides a second level of training for those who wish to extend their knowledge, skills and abilities in ASL and pursue a career as an interpreter.

American Sign Language 2

Pre-Requisite: Complete Function of At Least One Hand

Description: American Sign Language skills are important in all customer service-related occupations, and the demand for interpreters is growing. In this class, students will learn the fundamentals of sign language while developing an understanding and appreciation for the Deaf Culture and Community.

Health Science and Medical Technology

Community Health 1

Pre-Requisite: None

Description: As the concentrator course in the Public and Community Health pathway, Community Health 1 introduces students to the role of Community Health Workers (CHWs/Promatoras) who are trusted frontline public health workers with a close understanding of the community they serve.

Community Health 2

Pre-Requisite: Community Health 1

Description: Community Health 2 is designed to build on the introductory knowledge obtained in Community Health 1 and prepare students for an entry-level position and post-secondary education in the Public and Community Health Pathway.

Medical Assistant Clinical 1

Pre-Requisite: None

Description: Medical Assistant Clinical 1 covers medical terminology, a prerequisite for the medical assistant program, and administrative duties necessary for employment in the front office or reception area of a medical facility and physician's office.

Medical Assistant Clinical 2

Pre-Requisite: Medical Assistant Clinical 1

Description: Medical Assistant Clinical 2 is designed to teach students back-office skills required for entry level position as a medical assistant and prepare students for post-secondary education in patient care.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Health Science and Medical Technology - contin.

Medical Assistant Clinical 3

Pre-Requisite: Medical Assistant Clinical 2

Description: Medical Assistant Clinical 3 is the capstone course for the Medical Assistant program. It is designed to equip students with medical assisting skills necessary for employment in a variety of medical settings.

Medical Terminology for Healthcare

Pre-Requisite: None

Description: Students will learn foundational concepts in healthcare and develop a comprehensive understanding of medical terms, their origins, and applications in clinical settings. The course also covers basic medical abbreviations, common diseases, diagnostic procedures, pharmacology, and healthcare professions.

Mental Health Careers

Pre-Requisite: None

Description: This course introduces students to the field of mental health, mental health issues/disorders among sub-groups, and the various occupational options available to those interested in pursuing a career in the field of Mental Health.

Mind Matters: Mental Health & Illness

Pre-Requisite: Mental Health Careers

Description: Students will explore mental and behavioral health through a variety of disciplines. They will define mental illness, differentiate between myths and truths about mental health, and identify how the anatomy and physiology of the nervous system relates to physical, mental, and emotional health.

Sports Medicine 1

Pre-Requisite: None

Description: Sports Medicine 1 is designed for students interested in athletic training, physical therapy, kinesiology, and other related fields in sports medicine.

Sports Medicine 2

Pre-Requisite: Sports Medicine 1

Description: Sports Medicine 2 prepares students for an entry-level position and post-secondary education in the sports medicine field by providing applied instruction in sports injury prevention, recognition and treatment, first aid/CPR/AED, therapeutic modalities, bandaging, taping, wrapping, protective bracing, and rehabilitation techniques for athletes.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Hospitality, Tourism, & Recreation

Culinary Arts 1

Pre-Requisite: None

Description: This introductory course in the Food Service and Hospitality pathway is designed to provide students practical experience in cooking techniques and applied understanding of basic principles of nutrition, food storage, safe food handling, sanitation, recipe costing, customer service, etiquette, cultures, kitchen safety and correct use of kitchen equipment.

Culinary Arts 2

Pre-Requisite: Culinary Arts 1

Description: Culinary Arts 2 is the capstone course in the Food Science and Nutrition pathway. It provides students advanced practical culinary skills while continuing to emphasize safety, sanitation, and proper use of equipment in the kitchen throughout the course.

Information & Communication Technologies

Computer Mapping with GIS 1

Pre-Requisite: Successful completion of classes in computer technology, computer based applications, computer networking, or with teacher permission. Previous or concurrent enrollment in Algebra (recommended).

Description: Computer Mapping with Geographic Information Systems is a foundational course in the Information Support System pathway, designed to provide fundamental concepts of Geographic Information Systems (GIS) and enable students to apply the geographic inquiry process to environmental science, government, and business issues.

Computer Mapping with GIS 2

Pre-Requisite: Computer Mapping with GIS 1

Description: Computer Mapping with GIS 2 is the capstone course in the Information Support and Services pathway. It is designed to prepare students for an entry-level position in the Geographic Information Systems (GIS) field and post-secondary education in Information Support and Services.

Manufacturing & Product Development

Graphic Communications 1

Pre-Requisite: None

Description: This foundational course in the Graphics Production Technologies pathway designed to prepare students for entry-level employment in desktop publishing and the printing industry. Students will design and create publications using industry-standard software while acquiring basic computer and file management skills.

Graphic Communications 2

Pre-Requisite: Graphic Communications 1

Description: Graphic Communications 2 is the capstone course in the Graphic Production Technologies pathway which builds on the concepts of creating design elements and preparing final documents for printing.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Manufacturing & Product Development - contin.

Mechatronics Engineering 1

Pre-Requisite: Algebra (Recommended)

Description: Mechatronics Engineering is the designing and manufacturing of products with electronics components and is used to develop major systems as well as day-to-day devices such as smartphones and household machines. This course focuses on the designing, manufacturing, and maintenance of products with electronic and mechanical components.

Mechatronics Engineering 2

Pre-Requisite: Mechatronics Engineering 1

Description: Mechatronics Engineering 2 is designed to equip students with entry-level technical and service repair skills for supporting the installation, troubleshooting, and maintenance of equipment in the mechatronics and advanced manufacturing industry.

Welding Technology 1

Pre-Requisite: Algebra 1 (Required); Geometry (Recommended)

Description: Welding Technology 1 equips students with the skills necessary to perform basic quality welding that meets industry standards.

Welding Technology 2

Pre-Requisite: Welding Technology 1

Description: This capstone course in the Welding and Materials Joining pathway which builds on the knowledge and skills acquired in Welding Technology 1 and prepares students for entry-level jobs and post-secondary education in welding.

Welding Technology 3 and 4

Pre-Requisite: Welding Technology 2

Description: Welding Technology 3 and 4 builds on the knowledge and skills acquired in Welding Technology 2. Students will continue to practice structure and precision in various welding and cutting processes while learning advanced techniques in Shielded Metal Arc Welding (SMAW) and Orbital Arc Welding.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Marketing, Sales, & Services

Fashion Marketing

Pre-Requisite: Algebra I (Recommended)

Description: In this course, students will be introduced to the basic theoretical principles of marketing within the context of the global fashion industry.

Sports & Entertainment Marketing

Pre-Requisite: Fashion Marketing

Description: This course provides students with competencies necessary for entry-level employment and career opportunities within the sports and/or entertainment marketing industries. Students will learn the fundamental concepts of marketing and business principles in the scope of amateur, college, and professional sports.

Virtual Enterprise 1

Pre-Requisite: None

Description: Virtual Enterprise 1 (Creating an Online Business) provides a background in business concepts including the role of entrepreneurial businesses in the United States and their impact on the local, regional, national and global economy.

Virtual Enterprise 2

Pre-Requisite: Virtual Enterprise 1

Description: This capstone course is in the Entrepreneurship and Self-Employment pathway. Students learn the principles of micro and macroeconomics and apply those principles by setting-up and operating a simulated business in preparation for working a real business environment.

Public Services

Introduction to Criminal Justice

Pre-Requisite: None

Description: This is a concentrator course in the two-year public safety pathway designed to expose students to the Criminal Justice system and occupations while creating an awareness of criminology and social justice concerns.

Criminal Investigation

Pre-Requisite: Intro to Criminal Justice (Recommended)

Description: This capstone course in the public safety pathway is designed to give students both theory and hands-on experience in the skills and knowledge required of a Criminal Investigator. Students will be introduced to a series of topics including response to crime scenes, analytical evaluation of evidence, and appropriate protocols for each phase of an investigation.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Public Services - contin.

Emergency Medical Responder 1

Pre-Requisite: None

Description: Emergency Medical Responder 1 is designed for students interested in emergency medical services, hospital and safety public personnel such as emergency medical technician, firefighter, paramedic and emergency room personnel.

Emergency Medical Responder 2

Pre-Requisite: Emergency Medical Responder 1

Description: Emergency Medical Responder 2 is the capstone course in the Emergency Response pathway. An Emergency Medical Responder is the first medically trained person to arrive on the scene of an emergency.

Transportation

Automotive Technician 1

Pre-Requisite: None

Description: Automotive Technician 1 is a foundational course that provides students with basic vehicle service skills and a general understanding of automotive system components for entry-level jobs. Emphasis is placed on proper use of common tools, equipment, personal protective equipment and OSHA safety practices in the workplace and general lab.

Automotive Technician 2

Pre-Requisite: Automotive Technician 1

Description: Automotive Technician 2 is the capstone course in the transportation sector of the System Diagnostic and Service pathway. It builds on Automotive Technician 1 to prepare students for entry-level employment as Automotive General Service Technicians.

Automotive Technician 3 - EV and Hybrid

Pre-Requisite: Automotive Technician 2

Description: This course builds on Automotive Technician 2 by equipping students with foundational knowledge and experience in automotive technology, specifically focusing on electric vehicles (EVs). Students will learn hybrid technology electric vehicles, the principles of vehicle electrification, systems integration, diagnostics, repair, and safety practices essential for the growing automotive industry.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Transportation - cont.

Aviation 1

Pre-Requisite: None

Description: This course provides an overview of the aviation industry and introduces students to gain a deeper understanding of the forces of flight, effects of flight controls, the components and operation of the aircraft power plant, instruments, and their associated systems.

Aviation 2

Pre-Requisite: Aviation 1

Description: This advanced course is designed to deepen students' understanding of aviation, with a focus on preparing them for the FAA Private Pilot Knowledge Exam. Students will gain hands-on experience and practical skills necessary for flight training, including time spent in a certified FAA Redbird flight simulator. Instruction will cover key regulations outlined in 14 CFR 61.105(b)

Exploratory Career Technical Education

Career Planning & Management

Pre-Requisite: None

Description: Career Planning and Management is designed to assist student's transition from school to work, make career path decisions, and develop employment skills. Students will participate in a combination of classroom instruction and worksite learning by being placed in local businesses for a career internship.

CTE Leadership Essentials

Pre-Requisite: B or better in CTE Concentrator Course

Description: This course equips students with the essential skills to support and thrive in Career Technical Education (CTE) environments. Emphasizing leadership, safety, professionalism, and workplace readiness, students will develop the ability to assist in CTE classrooms and labs with confidence and responsibility. This course is ideal for students interested in gaining practical, transferable skills to succeed in any CTE program or career field.

Middle School Career Exploration

Pre-Requisite: None

Description: Middle School Career Exploration provides the opportunity for students to explore different career pathways while building on important 21st Century Skills such as critical thinking, communication and problem-solving.

COURSE DESCRIPTIONS

"Inspiring career possibilities for all students"

COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM

Adult/High School After School Programs

Construction & Facilities Maintenance

Pre-Requisite: Please visit cryrop.edu for more info

Description: This course provides introductory skills in construction math, terms, blueprint reading, real-world use of tools, equipment, and materials in construction projects while practicing pre-employment skills. Topics include personal health/safety, physical agility, historical overview of construction industry, regulations/standards, proper use of hand tools/power tools, site preparation, electrical basics, drywall installation, solar technology, asbestos identification, cutting tools and effective use of technology. Connections and collaborations will be made with local apprentice programs. Students will have opportunity to earn industry certifications upon successful completion of in-class instruction and work-based, hands-on training.

Nurse Assistant - Certified

Pre-Requisite: Please visit cryrop.edu for more info

Description: This program is designed to prepare students for employment as a Certified Nurse Assistant in a variety of settings. Students will learn patient care, observation, and communication skills with an emphasis on caring for the geriatric resident in a long-term care facility. The program prepares students to be successful in the workplace by teaching employability skills and modeling workplace expectations. Program includes both classroom instruction (theory) and 100 required clinical hours.

Vehicle Maintenance Technician

Pre-Requisite: Please visit cryrop.edu for more info

Description: This program provides entry-level training in automotive service, repair, diagnostics, and maintenance. Students use diagnostic equipment, and specialized hand tools. Students who complete training, will gain in-demand job skills, a foundation for further education or training, and become eligible for entry-level jobs in the field. Placement assistance is available. Hands-on experience is a required component of the program. Students will have opportunity to earn industry certifications upon successful completion of in-class instruction and work-based, hands-on training.

Medical Assistant - Clinical

Pre-Requisite: Please visit cryrop.edu for more info (Coming Spring 2027)

Description: This program prepares students for diverse roles in healthcare, ranging from front-office administration to clinical practice. Students master essential front-office procedures, including medical billing, insurance, and computerized scheduling, alongside clinical competencies such as vital signs, injectables, sterile technique, and electrocardiograms. The program combines classroom instruction with required clinical externship at local medical offices, providing hands-on experience necessary for professional success. A negative TB test is required for participation in externships. This class addresses STEM skills necessary for student success in medical disciplines and careers.

Nurse Assistant - Acute Care

Pre-Requisite: Please visit cryrop.edu for more info

Description: The Acute Care-CNA course focuses on broadening the CNA's scope of knowledge and clinical experience to include skills required to work in an acute care setting such as a hospital. Students taking this course must have successfully completed the NA course & passed the NA state competency test.
