Construction Update #21

November 2, 2026

Rebuild & Enlarge Construction Timeline: April 2025-December 2026

The new parking lot is starting to take shape! New curbs have been poured, and base rock for the sidewalk has been placed, giving us a glimpse of what's to come.

You may have also noticed the fresh pavement on the road in front of the school. Final paving and line painting are now complete, including a new painted bike lane for our cycling community to enjoy.

Please reach out to Ina Holzer with questions and/or requests for information (contact information below).
