We ♥ Apples!

Another successful Apple Crunch Day is in the books! This year, we were joined by some wonderful local farmers who helped provide over 18,000 delicious apples for our students and staff to enjoy.

We welcomed Andrea, a representative from Common Market, to Wines Elementary, while Dale from Lesser Farms joined our Director, Mike DeVries, at Bach Elementary. Kapnick Farms also made a special appearance at Eberwhite Elementary to join in the fun!

We love bringing fresh, local produce into our schools and giving students and staff the opportunity to connect with the farmers and vendors who help make it possible.
Thank you to our local partners for helping make this year's Apple Crunch Day a success!

WRAP & ROLL

Turn Up the Taste!

We're bringing bold flavors and handheld favorites to the menu!

Students can enjoy delicious wraps, burritos, hand pies, and other grab-and-go options packed with flavor and made for busy school days. With a variety of globally inspired tastes and convenient meal choices, Wrap & Roll makes it easy to discover new favorites while enjoying a satisfying lunch on the go.

National School Lunch Week

Oct.12-16, 2026

Did you catch any of our National School Lunch Week events during October? We asked our students to step right up to the lunch line and have some fun in their cafeteria!

We also had a bit of a competition brewing under the Chartwells AAPS big top! The schools that sold the most lunches that week were Pioneer High School, Scarlett Middle School, and Logan Elementary!

We appreciate our schools for giving our students a way to have fun while also getting their free fuel at lunchtime!

We are Hiring!

We are hiring Food Service Workers in part-time & full-time positions
