FRIDAY FUN FACTS	<u>Birthdays</u> - August is the most common birth month globally and in the US; accounting for 9% of all births. - October 5th is wildly recognized as one of the most common individual birthday dates. - In Canada, friends ambush the birthday person and rub butter on their nose to ward off bad luck. - In China, giving someone a clock or watch as a birthday gift is bad luck.

Big Happy 50th Birthday to Mrs. Brooks!!!
We hope your day is amazing.

GO TIGERS!
