SDMC Agenda **5.13.2026**

Campus Action Plan 26-27 - Needs Assessment
<u>Needs related to Student Achievement Data</u> 1. What trends do we notice across student achievement data this year? 2. Which student groups showed the most growth? Which groups need additional support? 3. What gaps continue to exist between student groups, grade levels, or content areas? 4. Which instructional practices appeared to have the greatest impact on student achievement? 5. What patterns do we see in attendance, discipline, course failures, or graduation indicators that may impact achievement?
<u>Needs related to improving the quality of instruction</u> 1. What does strong instruction currently look like across our campus? 2. Where do we see inconsistencies in instructional delivery between classrooms or departments? 3. How effectively are teachers using student data to plan instruction? 4. How consistently are students engaged in meaningful learning tasks? 5. What instructional strategies are producing the highest levels of student engagement and achievement? 6. How can campus leadership better support instructional coaching and feedback? 7. What barriers prevent teachers from consistently implementing high-quality instruction?
<u>System Evaluation (Philosophy, Processes, Implementation, Capacity)</u> 1. Which campus processes are working effectively and should continue? 2. Which systems or procedures create confusion, inconsistency, or inefficiency? 3. Do staff members feel supported, informed, and empowered to succeed? 4. What systems need to be strengthened to improve campus culture and student outcomes?
<u>Questions/Closure</u> What do we want Chavez High School to be known for next year?

Lets continue to Walk That Chavez Walk with excellence, unity, and purpose.
