# MEASURE U: REPORT TO THE PUBLIC

## MEASURE U CITIZENS' OVERSIGHT COMMITTEE
## LIBERTY UNION HIGH SCHOOL DISTRICT
## JULY 2024 – JUNE 2025

The Citizens' Oversight Committee (COC) of the Liberty Union High School District (LUHSD) was formed pursuant to Measure U for the purpose of actively reviewing and reporting on the expenditure of Measure U bond proceeds. The COC is required to advise the public through at least one report per year which shall be published and made available on the district's web site.

The Measure U approved in 2016 by the voters in Brentwood, Oakley, Bethel Island, Knightsen, Discovery Bay, Byron and unincorporated areas within the Liberty Union High School District (LUHSD) attendance area, authorized the school district to borrow $122 million. With the addition of interest income earned of $5,218,377, Measure U funds totaled $127,218,377.00. The district has expended all funds. Construction projects were done at Liberty High School, Freedom High School, Heritage High School, and the District Office.

To date, the Citizens' Oversight Committee has met a total of 19 times since the inception of a bi-annual schedule of meetings. The "Policies, Procedures, and Guidelines" is published on the LUHSD website along with meeting agendas and minutes, serving as a reminder to the committee of its duties and responsibilities.

Sufficient administrative support has been provided by LUHSD. The committee is free to independently inquire, explore and investigate the Measure U construction program, as the California Legislature intended.

The committee received and reviewed mandated Financial and Performance Audit reports. Audits are required to be conducted in accordance with government auditing standards, which for performance audits include four broad categories of audit objectives. These are: program effectiveness, internal audit, compliance, and prospective analysis audit objectives. The performance audit reviewed includes only two audit objectives, both appearing to be in the "compliance" category of audit objects.

During the fiscal year of 7/2024 - 6/2025, the COC held two meetings. The 2025 fiscal year ended on June 30, 2025. Of the $127,218,377.00 budget, all has been expended.

A major accomplishment was the preparation of the Citizens' Oversight Committee's annual report to the public. The Committee reviewed, discussed, and held sub-committee meetings to complete revisions to the report, which covered Measure U projects and activities for the fiscal year.

Highlighted on the next page are some of the projects funded by Measure U dollars, providing benefit for the communities listed above and the school district for years to come.

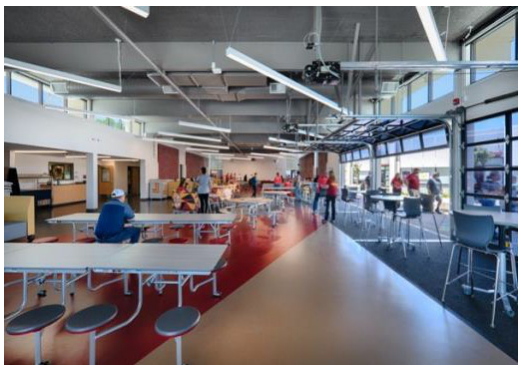

Members of the public with questions about the COC activities are invited to attend a meeting or reach out to a committee member. The next meeting is scheduled in the first few months of 2027 with date and time TBD.

**MEASURE "U" OVERSITE COMMITTEE MEMBERS - Appointed September 23, 2026**

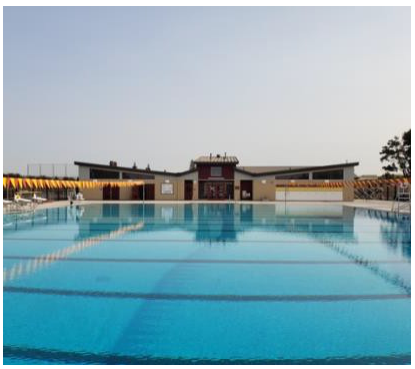

| | | | |
|---|---|---|---|
| **Kathy Bushman** | **Marge Faulkner** | **Pat Kanyuh** | **Bryan Scott** |
