EXECUTIVE SUMMARY

FOR THE SHEBOYGAN AREA SCHOOL BOARD

Topic: Fund Balance Designation

Date: November 11, 2026

Prepared by: Mark Boehlke

Recommended action:

Information only

Presentation/discussion

X Discussion/action by committee

Discussion/action by Board of Education

Presentation/action next meeting

Purpose:

The purpose of this summary is to present information on the general fund balance and to bring forward designation recommendations that are in alignment with the Board goals. Recommendations were brought to the October 14, 2026 finance committee meeting for presentation and discussion. Some of the dollar amounts were still estimated at that time. Since that meeting, the amount for the subsequent years budget carryover has been finalized, and also the amount of the 2026-27 original budget has been finalized. One additional designation for network infrastructure and security has been added to the administrative recommendations.

Recommendation:

It is the recommendation of administration that the Board assign the following amounts of General Fund balance in November for the described purposes:

Required Designations

Non-Spendable Inventories…….…….....$51,167.54

Restricted – Self Insurance……..……..$5,959,097.00

Restricted – Common School Funds……..…$19,738.30

Restricted – AGR Grant…….……..$805,350

Restricted – School Based Mental Health Grant……..$843,115

Balances Carried Over From Prior Designations

Assigned – Subsequent Year's Budget – Carryover……. $3.558,306.00

Assigned – Staff Development Training.……..…….…. $258,390.89

Assigned – Referendum Building Projects……..……$307,610.15

Assigned – Marketing Initiative……..…….$106,508.43

Assigned – Administrative Services Building Remodel and Equipment……..$202,451.52

Assigned - Future Athletic/PE Facilities Upgrades…….....$753,761.04

Assigned – Future Building Projects and Equipment Expenses……$10,889,457.21

Assigned – Auditorium Upgrades…….……..…….$27,584.68

Assigned – Student Safety and Security……..…..$804,112.78

Additions To Prior Year Designations

Assigned – Repair and Purchase of Musical Instruments

Balance forward of $4,520.46 plus a $100,000 additional designation……..$104,520.46

In past years, the Board has designated funds to help replace and repair musical instruments for the band and orchestra programs. Since this need remains, the administration recommends the designation of funds for this purpose.

Assigned – Staff Recruitment

Balance forward of $4,055.64 plus a $225,000 additional designation……..$229,055.64

This additional designation will continue to allow the payment of a hiring bonus for special education teachers and assistants and to pay for the RITE program that enables individuals to obtain special education teacher licenses. It will also be used for other advertising and recruitment expenses.

Assigned – Teacher Credentialing For CAPP Classes

Balance forward of $20.651.31 plus a $175,000 additional designation…….$195,651.31

This designation will be used to pay for initial credentialing of staff to meet the requirements of the higher learning commission.

Assigned – Vehicle Purchase

Balance forward of $9,994.50 plus a $40,000 additional designation……$49,994.50

This designation will be used to replace vehicles that need to be retired.

Assigned – Network Infrastructure and Security

Previous balance was spent down. Add $100,000 additional designation……..$100,000.00

The previous designation was spent on equipment for the secondary data center, wireless access points and required repairs and maintenance for the fiber optic ring. This additional designation will provide a fund for unexpected equipment replacements and for the fiber optic ring.

Undesignated

Assigned – Future Land Acquisition

Current assigned balance of $1,882,150 unassigned…….……...$0.00

The purpose of this designation was to have funds available for the possible need to purchase land for the two middle school projects. These funds are no longer needed for that purpose and the current balance of $1,882,150 can go back to the unassigned fund balance.

Unassigned Fund Balance

Unassigned Fund Balance – Working Capital Need…….……..$26,898,468.70

The estimated unassigned fund balance is equal to 17.6% of the 2026-27 general budget. Board policy requires an unassigned balance of 15-20%. Unassigned fund balance is used for working capital and avoids the need for the District to borrow for cash flow purposes.

Total General Fund Balance……..……....$52,164,341.15

Background:

- **Who is affected?**

These designations will have a positive effect on our students, staff, and community members as programs and facilities are improved throughout the District.

- **What is the cost and budget impact?**

These are designations of cash on hand. There is no negative impact to the current budget since these are all one-time costs. Future budgets may be impacted if facility improvements require additional maintenance or reduce the required maintenance. By using designated fund balance, the general budget is not needed to fund these items, and money is available to support other priorities within the budget.

- **How will this be implemented and what is the timing?**

This will be brought back to the Finance Committee for possible action in November. Designations can be changed by the Board at any time during the year. Building or facility projects using these designated funds would be brought back to the Board for bid approval.

- **How will we assess if this is successful?**

The District will be able to move forward with these one-time expenses without the use of the general fund budget.
