PARENT POWER:

Tools for Academic Success!

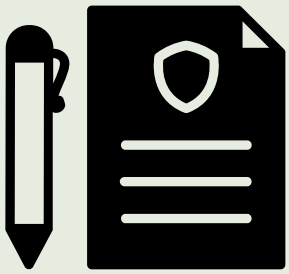

Join us every **Tuesday in November at 10:00 AM** for a four-part workshop designed to give parents the knowledge and tools to encourage academic success. Each day we will cover two parts. If you have questions, we have answers!

November 3 - Attendance Matters

School attendance is crucial for academic achievement, with regular attendees being 2.5 times more likely to graduate and having higher proficiency in reading and math. Consistent presence builds essential social skills, routines, and responsibility. Let's walkthrough the district's Attendance Policies together!

November 3 – Truancy

What happens if your students is absent for an extended period of time? Together we will explore the district policy on truancy, what is truancy, steps to avoid becoming truant, and much more.

November 10 - Drug Awareness

Parents are an integral part of their children's decision to use substances. But how can you as a parent guide your child in the healthy direction? Let's work together to gain pivotal skills in substance prevention and intervention.

November 10 - Vaping

This workshop is designed to give students, parents, and educators the knowledge to make informed choices and stay safe. Join us for an informative session where we break down: What is vaping?, The health effects and risks, District policies and consequences.

🎉 **Don't miss out—because when parents are empowered, kids succeed!**

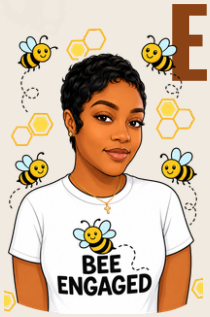

TYPING CLASS

Let's Build Your Typing Skills Together!

Learn the basics of typing in a supportive, hands-on environment! Throughout this series, you'll practice proper posture, keyboard and hand placement, and essential typing techniques while building confidence using a computer.

You'll also have the opportunity to apply your new skills by working on your own résumé and developing practical computer skills to support your return to the workforce.

Start with the basics. Practice your skills. Build your confidence.

EVERY WEDNESDAY IN NOVEMBER

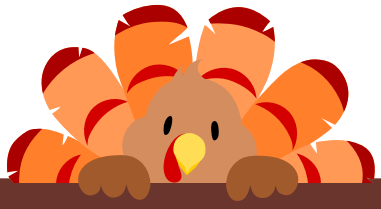

1:00 PM - 2:00 PM
