P.E. NEWS

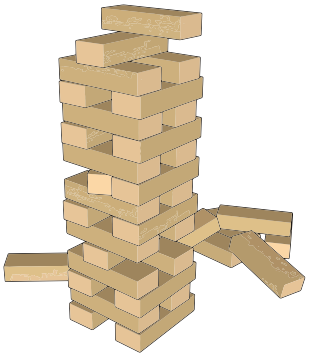

In Physical Education class this week students participated in skill stations consisting of hula hooping, jump rope, basketball dribbling weaving through cones, catching a tossed yarn ball from me and practicing catching using the scoops and balls. In the second class of the week most students learned the game frog pond in which students worked in groups of three to help the "frog" cross the pond (gym floor) by placing down lily pads (poly spots) for the frog to jump to. This game emphasized teamwork and two foot jumping and landing. Thursday afternoon the first graders played sharks and minnows in the field. f you need to contact me email is best at nicholas.burnett@Philomath.k12.or.us.

Join us for a fun-filled evening at Philomath Elementary School on November 12th! We are looking forward to a night of games, laughter, and family fun! To help make this event a success, we are looking for volunteers to lend a hand. Whether you can help set up, assist during the event, or clean up afterward, we would greatly appreciate your time!
