REIMAGINING SECONDARY EDUCATION

Did You Know?

NOVEMBER 6, 2026

In April 2026, the Red Clay Board of Education voted to postpone implementation of the Reimagining Secondary Education initiative to allow additional time to plan for current students to complete grade bands, produce an expanded and comprehensive communications plan, bolster student engagement efforts, and complete analyses of equity, special education compliance, and the McKean Innovation Center model.

Since that decision, we are pleased to introduce our new **Reimagining Secondary Education website** and this **comprehensive report,** which address these items and more.

Explore What's New!

- **A dedicated website with the latest information**
- **A comprehensive report with key analyses and findings**
- **Ongoing opportunities to stay informed and engaged**

We encourage all families, staff, and community members to explore these resources and stay engaged in this important initiative.
