To Parents of Jasper City School Students

Please take time on Wednesday, November 18, to stop by the Discovery Room Educational Trailer that will be located at Maddox Intermediate School. The exhibit will be available from 12:00-5:00 PM for **adults 21 years of age or older**. Adults will experience an interactive, mobile exhibit that helps one recognize warning signs of substance use in a simulated bedroom and learn how to talk with loved ones.

Discovery Room Education Trailer

Together, we can be more aware

An interactive, mobile exhibit that helps adults recognize warning signs of substance use in a simulated bedroom and learn how to talk with loved ones.

What You'll Experience

A hands-on, realistic learning opportunity

Inside the Discovery Room, you'll step into a carefully staged bedroom where ordinary items conceal telltale signs of substance use.

Note: Not appropriate for minors

You'll Learn

- Where and how signs may be hidden
- Distinguishing normal clutter from concerning indicators
- How to start open, supportive conversations

Who Can Benefit:

- Parents & caregivers
- Teachers & coaches
- Faith & civic leaders
- Healthcare providers & first responders
