We had a wonderful week in the 5th grade! It has been amazing to see your student's dedication as they prepare to recite the Gettysburg Address next week. Please keep practicing at home with them!

Please keep an eye out for communication from your student's teacher about Explorer Day on the 20th. They have been busy learning about Explorers in History class and, next week, will begin working on their own Explorer Report in Writing. They will have two weeks to write their essay and prepare a short speech about their explorer for our curriculum day. They will have the opportunity to present this in front of the class and can even bring a prop to use!

Veteran's Day Assembly- The 5th grade classes will have the privilege of reciting The Gettysburg Address at the Veteran's Day Assembly on November 11th. Please check your email from the school for more details. We would love for you to join us!
