IV. COMMENTS FROM PATRONS

Those wishing to address the Board pertaining to items on this agenda should do so at the podium to be heard adequately.

V. A. OLD BUSINESS

1. Monthly Financial Report

Mr. Hunter will present the GCS monthly financial report.

2. TAG Update

Mr. Hunter will give an update on the status of TAG discussion with GTA.

3. Notice to Public

Pursuant to Indiana Code (IC)20-28-9-27 this Public Meeting serves notice that Greensburg Community Schools received an increase in state tuition support between fiscal year 2025 and fiscal year 2026 and the funding floor was not met. This announcement is to publicly acknowledge receipt of this notice from the IDOE. This notice will be placed on the GCS website after this meeting.

Here are some reasons why the funding floor was not met:

- We often replace retired teachers with newer teachers resulting in a lower salary being paid for the same position.
- We had vacancies in the JH & Elementary Special Education and Elementary Art departments (filled with employees coded to the "substitute" and/or "teaching assistant" object codes) so they do not count towards the funding floor.
- We have had teachers take time off without pay due to health reasons, maternity leave, etc.
- We have had teachers retire/resign and not fill those positions.
