I understand that I am being prepaid each month beginning August 2026. I understand that my May 20, 2027 check will pay me for working through June 11, 2027. The May check will be my last payroll check for the 2026 – 2027 school year.

I also understand that information about my tax withholdings is shown on each payroll direct deposit information stub and that it is my responsibility to make sure that this information is current and correct at all times.

I should also make sure that other information on the check stub is correct.
