GRATITUDE GROCERIES

FROM OUR HEARTS TO YOURS

As a young, single mom without a college degree and limited skills, I know what it's like to wonder how you'll feed your family. Thirty-four years later, we've been so blessed and we want to show our gratitude by extending a helping hand.

Most of us cannot get through life without leaning on someone else at some point, ourselves included. We are here to be that shoulder our neighbors and community can lean on.

Our freezers have been emptied for the season, so we've decided to fill them with groceries for those who could use a little extra help.

Simply drive through our shop, follow the signs, and we'll have pre-packed bags of groceries ready for you — no questions asked.

Saturday 11/7 from 3:00pm to 6:00pm

and

Tuesday 11/10 from 4:00pm to 7:00pm

We can serve up to 400 cars during the event hours. The line moves quickly as there is no parking, you are simply driving through the lot, staying in your car; and we will hand you your groceries as you drive through the designated line. For event updates please follow our social pages or visit:
