Gifted Students	286	12.8%
Students with Disabilities (IEP)	370	16.6%
Free and Reduced Lunch	965	43.25%

SCHOOL HIGHLIGHTS: ECHS graduates attend universities and colleges across the country. Each year, the largest group of graduates attend Georgia Southern University and Savannah Tech, but many students go on to The University of Georgia, Kennesaw State, and others. ECHS also has a robust CTAE and technical college dual enrollment program, so our graduates are workforce ready. Many students graduate with certificates in welding, and in 26-27 we have a new firefighting program in which students will graduate with certification in the first tier of firefighting. ECHS students are awarded scholarships in the areas of academics, athletics, and fine arts. We celebrate College, Military, & Workforce Decision Day each year in May for seniors who have committed to post-secondary school, military enlistment, or employment with a major corporation such as Hyundai, Gulfstream or the Georgia Ports Authority.

CLASS OF 2026 GRADUATE PROFILE
