## MONTHLY RECAP

***Principal Notes***

We have so much to celebrate this year!

Thanks to the hard work and dedication of our Northeast community, we're proud to share a few major milestones:

- Exemplary Status on the Illinois Report Card
- Launch of our New Playground Fundraising Campaign
- All-Star Award as one of America's Healthiest Schools from the Alliance for a Healthier Generation

None of these achievements would be possible without the incredible support of our families and fantastic staff. Thank you for everything you do!

Go Falcons!

## *Northeast Earns Exemplary!*

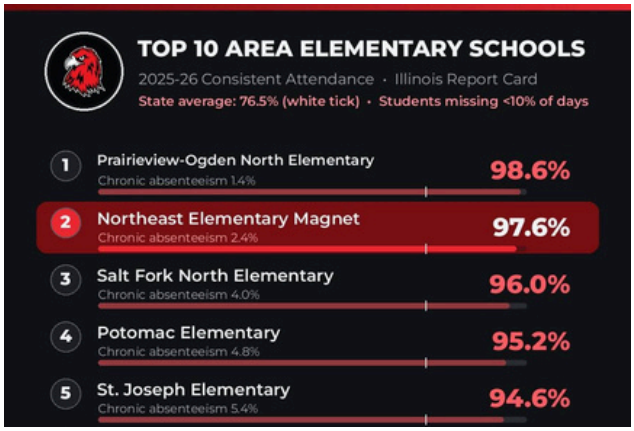

**The 2025-26 Illinois Report Cards are complete, and Northeast has a lot to celebrate!**

Northeast ranked among the top elementary schools in the area in several key categories:
Consistent Attendance: 2nd (97.6%)
Overall Growth: 3rd (56.6)
Math Growth: 3rd (59.8 )
Math Proficiency Gains: 4th (+12 points in just one year!)

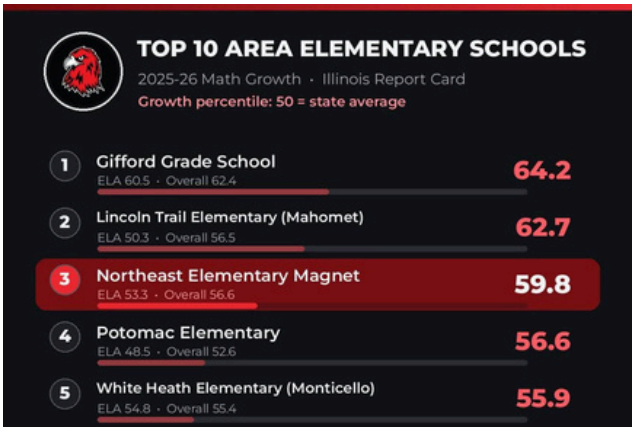

Northeast was named one of just 14 area elementary schools recognized as Exemplary by the Illinois State Board of Education.

Behind these accomplishments are dedicated teachers and staff who show up every day, students who work hard, families who support learning, and a community that believes in our kids.

This is what happens when we work together!
