Mu Alpha Theta High School Math Honor Society Membership:

Congratulations to our 52 students who are being offered National Mu Alpha Theta Membership. There are two links to pay membership dues. Since NEW National MAO Members must pay for national dues and fees when they originally become national members and they also must be local members, they pay $35. Current National MAO Members and Local Haynes MAO Members only pay local dues, so they pay $15. To pay your dues, follow the directions below by November 13.

Members who pay dues by Nov 13 get a Haynes MAO t-shirt, after that date the price remains the same, but students will not get a t-shirt. After November 8, ONLY Local dues will be available since we will send our membership list to the National MAO on that day.

1. Check the membership list to determine what type of member you are. If you completed the registration form before, during, or after Club Fest, you will be on the list. If you (or a friend) forgot to sign up during registration, you are welcome to be a local member this year and sign up next year to be considered for national membership. (Open to 9-12th grade only.)

2. Pay on SchoolCashOnline (USE ONE OF THE TWO LINKS BELOW. THEY ARE DIFFERENT, SO BE CAREFUL WHICH YOU USE)

A. If you are a "**Current National MAO Member**" or "**Local Haynes MAO Member**" use this link to pay your dues. Be sure to complete the Google form in the School Cash Online link to help us maintain our roster. Dues should be $15 (plus extra if you choose long sleeve).

B. If you are a "**NEW National MAO Inductee**", use this link to pay your dues. The cost should be $35 (plus extra if you choose long sleeve). Be sure to complete the Google form in the School Cash Online link to help us maintain our roster. Only use this link if you are a NEW National MAO Inductee according to the membership list.

Shortly after Nov 8 students who haven't paid dues will be removed from the Mu Alpha Theta Google Classroom. After that date only local Haynes dues will be available, since we will already have submitted our list of National MAO Members to National MAO.

If you don't see your name on the membership list or think there has been a mistake in membership type, see Mrs. Brennan. However, if your name isn't on the list, you can only be added to the local member list. Noone will be added to the National MAO Membership list unless a mistake was made in assessing eligibility. Remember, this is a High School only club.

AMC Test for Middle School (Hosted by Mu Alpha Theta Math Honor Society)

We are trying to determine if there is sufficient interest in hosting the AMC - 8 test. This is a challenging, national math test held after school between **January 21-27 for MIDDLE SCHOOL STUDENTS.** It takes about 90 minutes and the cost will be about 17 –20. If you are interested, complete the Google Form (one time for each interested student). If we have sufficient interest, you will be contacted then a charge will appear on SchoolCashOnline as a required charge. In other words, please don't complete the form unless you have checked the date and confirmed with your child. We must pay for the test in advance, and we do so based on sufficient interest to cover our expenses.

AP FEES:

If your child is taking any AP classes this fall, then you should see a charge for AP Test Fees in their Student Progress Center. Those fees can be paid for in School Cash Online. After paying the fees you can double check their fee bill to make sure Haynes received the payment.

All fall AP fees should be paid no later than December 22, 2026. Spring AP Test Fees will be added to the Student Progress Center in the spring semester and should be visible in January.

If you have any questions or concerns regarding paying AP Test Fees please reach out to our Account Clerk Tanya Heck at tanya.heck@jpschools.org or the School AP Test Coordinator Caleb Glueck at caleb.glueck@jpschools.org.

Keep the Tradition Alive!
Join the Haynes Prom Fest Committee

Haynes Prom Fest needs you to ensure one of our school's most amazing traditions continues to thrive!

We are looking for dedicated parent volunteers to help plan, organize, and support this year's event. While all parents are absolutely welcome, we are making a special call to freshman and sophomore parents.

By joining the committee early in your child's high school career, you will learn the ropes and ensure that Prom Fest remains a strong, successful tradition by the time your own children are old enough to take part.

WHY JOIN?

Protect the Tradition:
Prom Fest relies entirely on parent involvement to succeed year after year.

Get a Head Start:
Learn how the planning process works so you are ready when your child becomes a junior or senior.

Build Community:
Connect with other Haynes parents and school staff in a fun, collaborative environment.

NEXT MEETING DETAILS

Date: November 9
