Anderson Island Elementary **November 6, 2026**

Good afternoon, Eagle Families!
Another great week at Anderson Island Elementary! Our students keep working hard, growing as learners, and making our school a great place to be. I'm grateful for our staff's dedication and our families' continued support as we work together to keep AIE Anchored in Excellence!
I also want to share a quick reminder that Anderson Island Elementary, like all schools in our district, is a fragrance-free zone. Please help us maintain a healthy, comfortable environment for everyone by avoiding perfumes, colognes, and other scented products when you visit our school. Thank you for your understanding and cooperation!
I hope everyone has a wonderful weekend! Get outside and play, have some fun, find a little time to read, and get some well-deserved rest. I'll see you all next week!

CLASSROOM NEWS

Mrs. Cunningham

It was great to finally have a regular school week...We appreciate a routine schedule. This week in ELA, we practiced writing complete sentences with a subject and action. Older students finished up the "Great Goat Escape" and wrote an informational story with a beginning, middle, and end (with a few details in between).

In math, the older students worked on adding and subtracting 3-digit numbers (with carrying and borrowing), while younger students worked on word problems with missing numbers and adding and subtracting up to 10. Meanwhile, in science, we learned about "cryptid" animals, such as the Loch Ness Monster, and Daylight Saving Time. Ask your student if they know of any "cryptid" animal mysteries from our area.

We also fit in Fitness Awards, a library visit with the Pierce County Library, a STEAM lesson on wheels and axles, and our first drama session (music is on hold until the new year). Fall weather is upon us, so please send your student with a jacket because mornings are cooler.
